Ref your 5143 of 12 September, statement regarding BOWMAN release based on first, official communications indicating that all officers with critical scores of 85 points to be released unless essential and that American personnel of this theater having points in excess of critical score had been declared Ipso Facto non essential without exceptions.

Second, fact that BOWMAN has roughly 125 points as recomputed to September 2nd. Cite letter Hq Command Allied Forces 370.01/S of 23 August and first endorsement same date from 2675 Regt. Also para 2 letter 370.01 of 5 September 1945 Hq 2675 Regt. Above 2/3 American officers here are apparently subject to release. Request you inquire further as BOWMANS continuance highly desirable, and Anglo American personnel parity regarded as essential.

Following is paraphrase of GEM 648. Para 3 TAM 329 is reference.

1. As soon as possible it is proposed to introduce limited parcel post service between UK and ROME, VATICAN CITY, NAPLES, SICILY and SARDINIA. Restricted dimensions and post pound weight will apply. Mail will be separately bagged for each destination and despatched to NAPLES.

2. In view of fact that trading with ITALY is now allowed (see para 3 GEM 646) no reason for maintaining restrictions on value and nature of parcel contents. It will be obligatory for senders to comply with currency control and import licencing regulations. Letter mails between UK and ITALY (both civil and PW) will be routed overland via PARIS and CHIASSO with effect from Monday September 17. Request your comments.
