Extension of gift parcel service US to ITALY. This is MAT 923.

1. Greatest difficulty facing Italian Ministry of Posts and Telecommunications concerned with extension of gift parcel service is sorting accommodation. Military assistance being given, but until problem can be fully solved, and in order to expedite extension of service, Ministry requests that consideration be given by US Postal Administration to preliminary sorting in US. If agreed, Ministry suggests that parcels be province-sorted and despatched to each Provincial capital.

2. Military channels for forwarding this request adopted for reasons of expediency.

CONFIDENTIAL.

This is MAT 922. Advances of AM lire to French.

Further to MAT 897, French now agreed maintenance French forces in ITALY is separate from other French expenditures in ITALY.. AFA has advanced 30 million lire to French paymaster under TAM 24 for troop maintenance for October.

French ask for 500 million lire for rest of French expenditures for remainder this year, this amount to be "guaranteed" by allocation in PARIS of 250 million francs in blocked account. Civil expenses (Embassies, etc.) would further be separated from military expenses (beyond troop maintenance) such as for refloating of French ships found in Italian ports and repair of French materiel taken in FRANCE by Italians. French say they intend to request application article 15 of armistice which required Italian Government to pay for salvage and repair of Allied ships.

Above request supersedes para 2 of MAT 897. Ref para 3 MAT 897, we do not consider provision funds for refloating French ships and for civil purposes is covered by narrow authority given in TAM 24. Please advise reply to be given French. If requested advances are approved, we recommend French be requested take unilateral action on franc blocked account advising Italian Government thereof.

(1) AGWAR FOR COMBINED CHIEFS OF STAFF. (2) CABINET OFFICES WHITEHALL FOR BRITISH CHIEFS OF STAFF (3) INFO MIDEAST FOR COMMANDERS IN CHIEF (4) USFET MAIN. (5) TSFLT MAIN (6) ALCOM .

SECRET.

1. In view FAN 601 and FAN 608, it is thought desirable to report the present status of plans for the future of AFHQ and its associated headquarters. (This is NAF 1075).

2. GHQ, CMF, is being activated effective 1 October 1945 to conduct purely British Army matters in this theatre. United States matters will continue to be handled by Hq MTOUSA. AFHQ as such will then become a comparatively small integrated HQ whose activities will be restricted to essentially Allied matters.

3. Hq MTOUSA will be dissolved about 1 December 1945. Subject any directions that you or the US Joint Chiefs of Staff may give as a result of the review of the appointment Supreme Allied Commander foreshadowed in FAN 608, it is understood that a detachment of U.S. personnel under the administrative control USFET will then be provided to play their part in the remaining Allied activities in ITALY.

4. Meanwhile the British Naval Headquarters of C in C MED is already in the process of moving to MALTA and HQ RAF MEDME will have completed its move to MIDEAST by the end of October, leaving a small subordinate air headquarters in ITALY. GHQ, CMF, will also decrease in size as British commitments in ITALY are reduced.

5. Location in ROME of the military headquarters responsible for ITALY would have substantial military advantages and would facilitate closer contact with ALLIED

COMMISSION and its sub commissions and with British and United States Ambassadors. Up till now however practical difficulties moving and accommodating headquarters so large as AFHQ has prevented such a step.

6. After dissolution of MTOUSA these difficulties will no longer be serious. It is estimated location headquarters in ROME would then involve at the most the move of the following approximate numbers of personnel:

AFHQ British personnel 150 all ranks AFHQ U.S. personnel 100 all ranks GHQ, CMF, and associated units (additional British personnel 4500 all ranks air HQ RAF ITALY 750 all ranks.

7. My U.S. and British political advisers have pointed out that move to ROME raises political issues which State Department and Foreign Office will represent to you. I do not however consider these factors override military advantage which I have referred to above. Moreover in the event of reduction function of the ALLIED COMMISSION location Allied military headquarters in ROME would be all the more desirable in order contact would be made with the Italian Government through the appropriate channels.

8. It is therefore intended that unless you issue instructions to the contrary headquar tors listed in paragraph 6 above should after dissolution HQ MTOUSA move to ROME.

AIGCM FOR US POLAD

RESTRICTED.

3 29th following sent US POLAD CASERTA ASP no four (?) quote ref your 26. investigation so far does not indicate that mass meeting took place on an American ship but it is probably that some crew members of SS JOHN BRECKINRIDGE did contact strikers on shore and may have made statements as reported by BELGRADE radio. This was confirmed to me by master of BRECKINRIDGE. LYUBLYANA Communist paper September 23 stated 3rd mate of this ship MCDONALD took the lead in alleged meeting but no such name appears on crew list of BRECKINRIDGE or any other American vessel in port at that time. Investigation is being continued by FBI and any further developments will be reported and quote. MINTER

Subject is SLIBOR and GLUKAH the 2 JUGSLAV airmen who landed at TORTORELLA airfield near FOGGIA in a German trainer plane on 15 September 1945 with alleged intention to desert from the JUGOSLAV ARMY. They were inadvertently handed over to the JUGOSLAV Mission in BARI.

A demand was made on the Chief of JUG Mission in BARI for their return which was categorically denied.

Information has come to our attention that SLIBOR and GLUKAH will be deported to JUGOSLAVIA by JUGOSLAV boat about 1st October. You are requested to inform the Chief of JUGOSLAV Mission BARI that he will be held responsible personally responsible by this Headquarters to insure these 2 men will not be removed from ITALY without the consent of Allied Force Headquarters.

To ALCOM you will notify the head of the JUGOSLAV Advisory Commission to ITALY of the foregoing.
