Coal requirements -Venetia Giulia and Uline .^{ASG/AL} advises that no coal available from United States until after end of strike but confirms that as soon as possible after end of strike balance of requisitions for January/February , namely 3 cargoes approximately 26199 tons, will be shipped.

2. Balance of requisitions 4 months March thru June have been requested by ALCOA of USFET Main Frankfurt Germany and Saar who have been requested to investigate possibility of furnishing your requirements for 2 months each from Ruhr allocations. It is not at all firm that coal can in fact be brought from the Ruhr in sufficient time to assist in present situation, but matter will be pursued.
3. Your present low stock position coupled with the possibility of US coal strike lasting long period calls for rigid control and restricted issues. Every effort should be made to recover and redistribute known stock piles, and to obtain immediate delivery of area coal by negotiations through Joint Economic Committee.
4. For Alcoa. It is presumed that no other coal is available in the theatre for loan to Venetia Giulia and Uline as stated in your 3102 dated 16 May 1946.

Subject is personnel for legal division of AMO. Position is now becoming critical with only 4 legal officers remaining out of 12 authorized. At end of June chief legal officer also departs. This present shortage is leading to prolonged imprisonment of possibly innocent persons awaiting trial lack of supervision of ordinary civil courts and of epuration commissions delays in preparation of essential legislation and in advising other divisions on legal questions. It is considered that legal division must have minimum strength 10 officers to avoid serious impairment of the administrative machinery of AMO in Venezia Giulia that would lead to justifiable criticism. SECRET. Following is text of VAN 664.

Para 1. His Majesty's Government and the United States Government have had under consideration the question of the institutional truce. They are agreed that there is no repeat no case for insisting that the truce should still be observed. It has in fact been repeatedly violated more particularly by ministers of the left.

Furthermore the Italian Government have now issued decree laws providing for the election of the constituent assembly and the holding of a referendum to settle the ~~institutional~~ ^{INSTITUTIONAL} question. In fact had the Italian Government asked to be relieved of their pledge His Majesty's Government and the United States Government would have been prepared to grant their request. No repeat no such request has however been made nor is one likely to be made in the future. His Majesty's Government and the United States Government have therefore decided to take the initiative in order to remove all justification for possible accusations that the Allies have ~~failed~~ by failing to terminate the truce hampered the activities of the political parties and thereby prejudiced the results of the referendum. The Soviet Government have agreed for their part to action being taken in this sense.

Para 2. You should therefore immediately inform the Italian Government that in view of issue of the decree laws of the constituent assembly and the referendum and in view of the imminence of the elections and the referendum the Allied Governments ~~CONSIDER THE UNDERTAKING GIVEN BY SUCCESSIVE ITALIAN GOVERNMENTS~~ to the Supreme Allied Commander Mediterranean in regard to the institutional truce to be no repeat no longer binding. You should explain the reasons for this action as given in the penultimate sentence of the preceding paragraph. You should not repeat not refer to previous violation of the institutional truce since it must be

repeat not refer to previous violation of the institutional truce since it must be difficult to quote instances of such violation without appearing to take sides

2. IN SUCH EVENT, THE FOLLOWING QUESTIONS WILL ARISE;
 - A. SHOULD NEW ITALIAN PRIME MINISTER BE REQUIRED AS IN PAST TO SIGN A SPECIFIC QUOTE UNDERTAKING ON BEHALF MEMBERS OF HIS GOVERNMENT TO EFFECT THAT THEY ADHERE TO THEIR OBLIGATIONS UNDER THE ARMISTICE AND ADDITIONAL CONDITIONS OF THE ARMISTICE QUERY
 - B. SHOULD ITALIAN GOVERNMENT CONTINUE TO BE REQUIRED TO SUBMIT TO THE ALLIED COMMISSION FOR APPROVAL IN ACCORDANCE WITH PARA 2 (D) OF FAN 487 CHANGES IN APPOINTMENTS OF SERVICE MINISTERS AND ALL? OTHER MILITARY APPOINTMENTS AS I MAY DETERMINE QUERY.
3. IN REGARD TO QUESTION (A), AS LONG AS THE PRESENT ARMISTICE REMAINS IN FORCE I SEE NO REASON FOR DISCONTINUING THE CURRENT PRACTICE.
4. IN REGARD QUESTION (B) I CONSIDER THAT IN VIEW PRESENT POLITICAL SITUATION REGARDING THE 43 FLEET NO RELAXATION IN CONTROL NOW ENGINEERED OVER APPOINTMENT OF MINISTERS OF MARINE AND IN THE NAVY CAN BE MADE. I FEEL LESS STRONGLY ON THE SUBJECT OF APPOINTMENTS TO THE OTHER SERVICE MINISTRIES AND ARMED FORCES BUT CONSIDER THAT IT WOULD BE UNDERSIDEABLE TO TREAT THEM DIFFERENT FROM THE MINISTRY OF MARINE AND NAVY.
