Para 1. Following signal received from Alcoa.

"Para 1. The following memorandum dated 26 May 1946 has been received from the ministry of foreign affairs Italian government".

Para 1. The Italian consulate in Shanghai has informed by signal that the Italian firm Recco Cusani, owner of the river ship Sandro Sandri registered in the consulate, wants to sell her to a Chinese firm and has requested urgently the necessary authorization to perform the sale.

Para 2. The ship can only be used for fluvial navigation on the upper Yangtze and could not sail in the open sea since she was hoisting the Japanese flag and a Chinese firm had on her an option which was expiring on 20 April 1946.

Para 3. The ministry of marine, approached on the matter, has approved the foregoing sale, pending the necessary authorization of the allied authorities, which is hereby requested to the Allied Commission.

Para 4. The ministry for foreign affairs would be very grateful if, under the circumstances, an early reply could be given to the matter so that instructions may be cabled to Shanghai accordingly.

"Para 2. Request approval of the sale be signalled this Headquarters at the earliest practicable date."

Para 2. Propose to grant approval of sale by this Headquarters if you concur.

C. Miscellaneous whose countries of origin cannot be determined 923.

D. Dissident refugees from their countries of origin, made up as follows:
Jugoslavs (including some 4000 Ex-Royalist soldiers employed in Allied installations) 9869 ; Russians (claiming to have been originally domiciled West of the 1939 boundary) 591 ; Poles 128 ; Belts 108 ; Albanians 426 ; Hungarians 290 ; Total 11,412.

4. In view of the wide political implications involved in the withdrawal, in accordance with your directions, of military support from displaced persons and refugees who are not eligible for UNRRA assistance, your guidance as to the disposal of the several classes listed above would be appreciated.

5. Our views and recommendations in respect of each class are as follows:

Class A - it is understood that the British Government is prepared to undertake the resettlement of those Polish displaced persons who are dependents of members of 2 Polish Corps and to examine the claims of the

remainder of this class to similar treatment. Those who are unacceptable to the British Government will become part of class D class B-repatriation of this class continues slowly, the Chief obstacles being a shortage of transportation facilities and the difficulty of obtaining acceptance by the receiving countries. From an allied viewpoint, these could be handed over to the Italian Government as soon as the latter is in a position to accept them and has built up a suitable repatriation organization. This process however may take some time. Class C-from an allied viewpoint, there is no reason why this small class should not be handed over to the care of the Italian Government, but time should be allowed for a thorough and final screening to ensure that none of the persons concerned can be transferred to any other class. Class D- These dissident refugees have been afforded sanctuary in allied. Camps or are being employed in allied installations because it is the policy of the British and United States Government not to repatriate such people against their will. The withdrawal of allied Military support from them would presumably mean that they would become part of the Italian Governments "Alien Problem". In such circumstances the Italians would be justified in forcibly repatriating them unless they were bound by some undertaking not to do so, while it appears possible under the British and United States separation civil affairs agreement to negotiate with the Italians on a national basis to take over this category, there appears to be no machinery to compel them to maintain the allied Policy of not forcibly repatriating dissidents, except thru

class should not be handed over to the care of the British Government. The persons concerned can be transferred to any other class. Class D- These dissident refugees have been afforded sanctuary in Allied. Camps or are being employed in Allied installations because it is the policy of the British and United States Government not to repatriate such people against their wills. The withdrawal of Allied Military support from them would presumably mean that they would become part of the Italian Governments "Alien Problem". In such circumstances the Italians would be justified in forcibly repatriating them unless they were bound by some undertaking not to do so. While it appears possible under the British and United States separation civil affairs agreement to negotiate with the Italians on a national basis to take over this category, there appears to be no machinery to compel them to maintain the Allied Policy of not forcibly repatriating dissidents, except thru Diplomatic channels. In any event the retention under the Italian Governments care of these people, particularly the Yugoslavs, would be likely to cause embarrassment to the Italians vis-a-vis the Governments of their countries of origin. It is therefore recommended that the care of this class of persons should remain an Allied Military responsibility until such time as the British and United States Government have made arrangements for their ultimate disposal.

6. It is further pointed out that any displaced persons or refugees who are unacceptable to UNHCR would also be ineligible to receive UNHCR food, if their

OVER

maintenance was made the responsibility of the Italian Government. In view of the shortage of indigenous supplies and the difficulties which the Italians are experiencing in obtaining foodstuffs abroad, any such persons turned over to them will add to their economic difficulties and makes them most reluctant to sign any agreement to assume responsibilities for displaced persons and refugees of any category.

7. Pending receipt of your further directions arising out of the views and recommendations set forth above, action on sub para (B) of TAA 764 is being deferred.

While I am in complete sympathy with your plans regarding Colonel Bowman, am sadly being faced with the same situation in the case of my own commanders and key staff officers. As you know the reduction program in the United States Army is world wide and the war department is extremely reluctant to make individual exceptions. As much as I would like to maintain Colonel Bowman in his present rank, I do not feel justified in asking the war department to make an exception in his case because of the severity of their policy on this matter and because of the large number of equally deserving cases in this theater.

Colonel Bowmans family is scheduled to arrive in Italy during the month of July.

Appeal against legality of inscription soldiers in additional lists rejected by court appeal on first June. Public order excellent. No incidents in city. One trifling one province. Police very scores. No crowds in streets. No breach of law as to political meetings and propaganda. Monarchist propaganda prevails. Arrangement of polling station good large crowds waiting to vote since 0500 hours Sunday. THE PRESIDENT OF THE COUNCIL OF MINISTERS WHILE WELCOMING THE RECEIPT OF THE AGREEMENT AFTER CONSIDERABLE DISCUSSION SAID THAT HE THOUGHT IT WOULD BE FAR BETTER IN THE PRESENT POLITICAL SITUATION NOT TO PUBLISH THE TEXT BUT TO CONFINE PRESS RELEASE TO A STATEMENT THAT THE TEXT HAD BEEN HANDED TO HIM AND THAT SIGNATURE WOULD TAKE PLACE SIMULTANEOUSLY WITH THE OTHER AGREEMENT. ALTHOUGH HE SAW VALUE OF PUBLICATION OF SOME ARTICLES FOR EXAMPLE, ADVOCATION OF LONG TERM OF THE ARMISTICE AND THE ABOLITION OF ALLIED COMMISSION, HE CONSIDERED PARA 5 LEFT SO MUCH IN THE AIR THAT THE PUBLICATION THEREOF MIGHT DO HARM AT THIS LAST MOMENT BEFORE THE ELECTIONS.
3. BRITISH AND UNITED STATES AMBASSADORS WERE INFORMED OF THE SITUATION BY EXECUTIVE COMMISSIONER AND BOTH ADVISED AGAINST PUBLICATION OF TERMS CONTRARY TO THE WISHES OF THE PRESIDENT OF THE COUNCIL OF MINISTERS.
4. IN THE CIRCUMSTANCES I GAVE AUTHORITY TO EXECUTIVE COMMISSIONER TO INFORM PRESIDENT OF THE COUNCIL OF MINISTERS THAT I WAS PREPARED TO COMPLY WITH HIS WISH AND TO AUTHORISE THE ITALIAN GOVERNMENT TO ISSUE A SHORT COMMUNIQUE ON THE SUBJECT INSTEAD OF PUBLISHING THE FULL TEXT OF THE AGREEMENT.

Para 1. My views are

(A) I would like Col Bowman to continue to hold his present appointment on account of his experience and high reputation here and for reasons of continuity, and

(B) I consider that the peculiar nature of our tasks here and the special significance of the SCAGS relationship with civil administration press and public make it very desirable that SCAGS should have rank of full colonel.

Para 2. Col Bowman is prepared to accept downgrading and remain in appointment but while I can ensure rank makes no difference on military side I do not consider it really fair to ask him to do so for reasons given in para 1 (B) above.

Para 3. Considering factors mentioned above I request that special consideration be given to allowing Bowman to remain in rank of colonel.

Para 4. If Bowman remains request special consideration be given to arranging his family joins him here earliest possible.

Matter is being taken up with GCS. (Reur DPR/1-10/ADM, to 9 May, termination responsibility). Your para 3 does not agree with situation as down here which is that all poles will be accepted in Great Britain Para 4. and 5 agreed in principal except no approach will be made to Italian government at this time. Future of DPS unacceptable to Unrra too vague to permit comment. The organization of agencies to take over unfinished business of alcom under consideration here. So far as DP branch is concerned one possibility is that italians infiltrate into Headquarters and camps and gradually take over control of such matters as may properly be transferred, in same manner as camps and control turned over to Unrra. Not prepared to discuss other questions raised in para 7 at this time.

1. REFERENCE IS MADE TO OUR NAF 1058 OF 22ND AUGUST 1945.
2. THE ITALIAN GOVERNMENT HAS FOR THE SECOND TIME EXPRESSED TO ME ITS CONCERN OVER THE FAILURE OF THE JUGOSLAV GOVERNMENT TO RETURN TO ZONE "A" OF VENEZIA GIULIA THE ITALIAN NATIONALS WHO WERE ALLEGEDLY DEPORTED THENCE PRIOR TO THE SIGNING OF THE BELGRADE AGREEMENT 9 JUNE 1945.
3. THE ITALIANS HAVE STRESSED THE FACT THAT THE JUGOSLAV FAILURE TO RETURN THE DEPORTEES CONSTITUTES VIOLATION OF ARTICLE 6 OF THE AGREEMENT AND HAVE APPEALED TO ME WITH A VIEW TO FURTHER PRESSURE BEING PLACED UPON THE JUGOSLAV GOVERNMENT TO COMPLY WITH IT.
4. I UNDERSTAND THAT IN OCTOBER 1945 SIMULTANEOUS NOTES EACH ACCOMPANIED BY A LIST CONTAINING THE NAMES OF 2,472 ALLEGED DEPORTEES WERE HANDLED TO THE JUGOSLAV MINISTRY OF FOREIGN AFFAIRS BY THE BRITISH AND UNITED STATES AMBASSADORS AT BELGRADE.
5. COPIES OF THE JUGOSLAV GOVERNMENT'S REPLY TO THE AMBASSADORS NOTES WHICH WAS EVASIVE AND UNSATISFACTORY BUT WHICH DISCLOSED A NUMBER OF ERRORS IN THE ORIGINAL NOMINAL ROLL WERE PASSED TO THE ITALIAN GOVERNMENT AND TO AMG 13 CORPS TO ENABLE THE STATEMENTS CONTAINED THERE IN TO BE CHECKED.
6. THE ITALIAN GOVERNMENT'S COMMENTS ON THE REPLY WHICH HAVE LATELY BEEN RECEIVED TAKE THE FORM OF A REPETITION IN GENERAL TERMS OF ITS FORMER COMPLAINTS AGAINST THE JUGOSLAVS. AMG 13 CORPS HOWEVER AS A RESULT OF FURTHER RESEARCH HAVE COMPILED REVISED LIST OF ALLEGED DEPORTEES WHICH CONTAINS 4,338 NAMES A CONSIDERABLE INCREASE ON THE NUMBER ORIGINALLY LISTED.
