Desire tog supplies for song and Hocu be shipped to Song and Hocu as AMG now has warehousing and distribution facilities set up for receiving this tonnage at these points only, and additional AMG personnel are not available to set up facilities at Leghorn . If these supplies are shipped to Leghorn , Italian civilian Agencies will have to receive and tranship them to Song and Hocu and delay and heavy pilferage are certain to result . Military facilities at Leghorn no longer able to accept this added mission.

This theater believes there is sufficient tonnage destined for Song and Hocu to fully warrant dispatch by ship to these ports and does not believe it practical to consider transhipment across North Italy.
