UNCLASSIFIED:

Subject is proposed exchange with Unrra of 60000 blankets for 276 tons raw cotton. Reference is your signal 4162 of 15 July and letter from AMG 13 Corps Commerce Division dated 7 August. Situation has now completely changed and this proposal has no attractions since all our cotton factories have recently concluded contracts with Unrra and are unable to undertake any work for AMG. These factors make proposed transaction merely increased liability therefore it is regretted that this transaction cannot now be entertained.
