ASAA state before and immediately following invasion of ITALY certain shipments arrived in the MEDITERRANEAN and were discharged in NORTH AFRICA or were rerouted to ITALY. We have presumed such diversions were notified to WASHINGTON by AFHQ and have been taken into account by ASAA subject to any which may appear in LAC A/G 146 advice on which is awaited by ASAA. As records have proceeded as a direct debit or diversion debit to ITALY the value of the cargo or part cargo as discussed B forms PAC 49, 50, and 70 and on the assumption that cargoes dumped in the ITALY stockpile in NORTH AFRICA were subsequently called forward to ITALY or notified as diverted by AFHQ. It has been the policy of ASAA to raise debits on figures consigned unless known to have been adjusted by sinkings or diversions therefore no further debits should be raised in respect of cargo shipped ITALY ex NORTH AFRICAN stockpile.
