Reference COM 379. Food requirements for interim Army and Carabinieri.

1. Italian Government state that the 3.000 tons canned fish which is expected from Spain has already been promised to Cooperatives for distribution to Special Classes urgently in need of such food.

2. Any alteration in this plan would lead to unnecessary political complications.

3. Total quantity of canned fish/meat for 6 months ending 31 December for Italian Armed Forces including Navy and Air Force is 5.250 tons, in the ratio of two sevenths fish to five sevenths meat.

4. Request therefore that these amounts be asked for from Combined Food Board.
