Instructions.—When papers are to be numbered consecutively, the number to be placed on each sheet should be written in the upper right-hand corner, as shown in the example on this form. When papers are not to be numbered consecutively, but are to be attached in a specified order, the order in which they are to be arranged should be indicated by writing, for example, "1 of 3," "2 of 3," "3 of 3," etc., in the upper right-hand corner. When papers are not to be numbered consecutively, and the order in which they are to be arranged is not important, no entry is required. When papers are to be numbered consecutively, but are to be attached in a specified order, the order in which they are to be arranged should be indicated by writing, for example, "1 of 3," "2 of 3," "3 of 3," etc., in the upper right-hand corner. When papers are not to be numbered consecutively, and the order in which they are to be arranged is not important, no entry is required.
