RATES-PAID OF ALLIED COMMISSION/ALLIED
MILITARY ESTABLISHMENT CIVILIAN EMPLOYEES

1. The maximum and minimum wage rates payable to civilian employees of Allied Commission/Allied Military Government, together with cost-of-living allowances, allowances, etc., are governed by AFHQ administrative Memorandum Number 34, dated 29 June 1945, entitled "Conditions of Employment, Wage Scales, Bonuses and Allowances for Civilians Employed by the Allied Forces in Italy, Sicily and Sardinia", and its subsequent amendments.

2. In the past, Finance Sub-Committee, through the audit division of the accounting Sub-Committee has made a careful check of all wages paid to civilian employees, from the Payrolls submitted by Sub-Committees with their monthly reports of receipts and disbursements, and study the rates have not conformed to the authorized scale, and observation has been sent to the Sub-Committee, failing for an explanation of the apparent error.

3. Since the implementation of AFHQ administrative Memorandum Number 25, 1945, which authorized Labor and Wages Sub-Committee of the Allied Forces to make further upward adjustments of the Cost-of-Living because locally, it has in fact been found impracticable for the audit division to check the rates of pay, as the local variations in authorized rates have become too complex and diverse to follow at this Headquarters. For example, the areas of jurisdiction of the Local Wages Sub-Committees do not necessarily coincide with regional boundaries; and the directives issued by the Sub-Committees frequently authorize a flat rate of increase in the bonus without quoting a cumulative figure.

4. Nevertheless it is of the utmost importance that Sub-Committees and other Officers responsible for compiling Payrolls ensure strict adherence to the rates authorized in their area, and to give effect to this, **STRICTLY ENFORCE THE FOLLOWING CONDITIONS, WHICH ARE THE BASIS OF THE PAYROLL SYSTEM:**

"Certified that all above rates of pay are in accordance with existing AFHQ authorized scales, as verified by Local Wages Sub-Committee".

This order is to be strictly complied with.

- 1 May it please be made plain that in this HQ when a staff officer for the convenience of the Establishment Section, which is the responsible paying authority, pays civilian employees, the paying officer will not be expected to certify that the rates of pay entered on the rolls are in accordance with the authorized scale but that this will be done by the officer preparing the payroll. To : Captain Bontant, Hq, APOC

1. Received the payroll on 21 June and they were so happy to get their money they signed the payroll regardless of the fact that a few deductions were made incorrectly. Those circled in red pencil have never eaten at the villa and all the rest have eaten only since 6 June. If it is possible for you to straighten their pay up, as of the 16 June, I am quite sure I can take care of it from then on, if not through the villa then through the office. Will it be necessary for the Colonel to send a letter to back up the payroll sent up the other day. If so let me know and I shall get it for you.

2. The Col. returned but left almost immediately and I expect him back today sometime. I just took Major Curcliffe to the 15th Evacuation Hospital for a bad case of cramps. I found him in his bed this morning tied up in a knot and had to have an ambulance pick him up and take him to the hospital. I expect him to be there for perhaps a week. I am, therefore, alone in the place and so have my hands full trying to see to everything. Major Dollard is here with me but is doing another job. I certainly could use that Tech. Sgt. you said was on the way.

3. The story of the bicycle is a tragic one. The Major went out to the villa and discovering two bicycles gone asked me if I knew anything about them. I told him the story, but did not give him the address of the shop. I later went out to pick up our two bicycles only to find the other two also in the shop. I grew suspicious and asked Major if he had taken them in that place. He said that he had, and that they should all be paid for out of the "sinking fund". I asked him if we were to consider the bicycles as property of the Colonel and he replied that he considered everything we had picked up as belonging to the Colonel to be handed out by him if he wishes. I told him that wasn't the idea the rest seemed to have but since he insisted, I guess it is up to each to prove ownership to the bicycle he claims.

4. The civilian employee situation has eased up a little. We have a few that speak good english and some who speak it a little best. The trouble is that quite a number turn out unsatisfactorily and have to be canned after a few days, which leaves the problem of paying them. What I really need is another GI to help handle them. (Respectfully Parici)

5. We have moved into the building but so far have not found a satisfactory cook so the mess isn't set up as yet. We have a few springs and mattresses so can take care of a very few emergency cases, but wouldn't

advise publicizing that phase as yet. The hotel situation for officers is still acute and have heard nothing from 59 Area on rooms being set aside. The only place we have at present is the Lombardia Region hotels. 95

6. The transportation is at present all housed right at the office building and I am despatching direct from the office. Have had a little trouble with tires and the Ford is going back in Ordinance - as usual. Mrs. Souder is still at Merano, as far as I know, but will send her mail up as soon as possible.

7. I would appreciate it if one of the boys would ask for my mail once in a while and then put it all in an envelope and send it to me through Lombardia Region message center.

8. I guess that is about all the news or near-news for the present.

SUBJECT: Payrolls.

FILE NO. HQC/9

TO Establishments Section.
(ATTN: Capt. L.T. Montant).

19 April 1945

1. The following observation has been made on the civilian employees' payroll for the period 16-28 Feb 45 by the Chief Accountant's Office:

"Wages due to ELENA SCUDDER for the period 16-28 Feb 45 have been receipted by Capt. Montant. Similarly, the wages due for the period 1-18 Feb 45 have been so receipted. No explanation is furnished on either payroll nor are authorities to pay wages to a deputy attached. It is further noted that no deductions have been made for periods of absence from duty, if this has been the case."

2. Please, therefore, forward the necessary authorities, and any comments you have to make, to this office in order that they may be sent to the Chief Accountant's Office. The amount involved is L. 5,637 for both periods.

1. Rate of Pay for Regular

a. Attention is directed to paragraph 3 b of Administrative Memorandum No. 27, dated 8-1-44, whereby it is established that female employees shall be paid 15% less than the comparable rates and scales for male employees except where applicable female classification is limited.

1. The official ruling as now approved by the Resources Board is that this deduction will be made. All calculations, and computations are made on the 1 Oct 44 basis. After such terms are arrived at, the 15 Oct 44 bonus amount is added in the salary. With respect to the 15% deduction in the case of female employees, such deduction is made from the 1 Oct 44 rate, and then the proper 15 Nov 44 bonus is added.

Example:

- | | |
|--|----------------|
| (1) Regular rate of Pay (Male Accountant) | 5400 |
| (2) Plus 15% for Male Employees | +810 |
| (3) Total Salary-Basic Pay (Male Accountant) | 6210 |
| (4) Less 15% for female | -931.50 |
| (5) BASIC RATE FOR 15 Nov 1944 | 5278.50 |
| (6) Add 15 Nov 44 Bonus | +891.75 |
| (7) <u>TOTAL BASIC PAY</u> | <u>6170.25</u> |

c. The following figures, as compiled, give the completed calculations for female employees in the office 319 notified (figures include 15% additional for some previous and 15% deduction for female). The November 15 Bonus is authorized in Administrative Memo. No. 27, and decided in letter Reference Civ. Pers. No. 187 and 14 Nov 44 in "to be added to the rates table."

2. In order that the present standards may be improved the following instructions are issued for strict compliance by the officers responsible for the preparation of payrolls:

(c) It is of the greatest importance that the exact nature of the work of each employee be entered on payrolls, and the function he should perform with one of the official grades.

(d) In a great many cases employees are shown as "janitors", or "positive secretary". It is emphasized that no such grade exists in APO/ACC (officers do not have "secretaries") and it is requested that the function of employees who have been so described should be accurately stated, e.g. typist, clerk.
