SUBJECT: Tires for Official Car of French Delegate to A.C.I.

TO : Liaison Division

1. Reference your 110/54/EO(L) of 16 February.
2. The car in question is not the property of A.C.
3. Under the circumstances, A.C. cannot furnish tires from military sources.
4. The Prefect of Rome, in conjunction with the "Ufficio Auto" has the power to requisition suitable tires -- does so, in fact, for essential civilian needs, such as physicians. Application should be made accordingly.

1. This is not one of
our requested cars.
2. "Ufficio Auto" is an
Italian agency and
should obtain authority
to request from Prefect
House.
3. This is a problem for
the Italian Govt.
and must be decided
as I see it. v-17-45
