Norwegian Military Mission

A.C.

Rome, 5 February, 1945.

Ref: DPA/100/7/Q

SUBJECT: assignment of Transport.

Sir:

I wish to acknowledge receipt of your letter dated 1 February, 1945 concerning this subject, letter in which I am given order to deliver the Mission's two cars to Cinecittà immediately.

I believe you are fully aware of the tremendous difficulties I have had to overcome in order to acquire a suitable car for my work. I would like to point out that A. C. did not assist me in any way to procure the car No. HQ 435, which I obtained through the kindness and courtesy of the Military Police.

In view of all the trouble that I have had concerning transport since I have been in Italy, I do not consider you are justified in depriving me of this privilege and under the present circumstances I do not find it a friendly way of acting towards the Representative of such an Allied Nation as Norway.

Therefore, I request you to re-consider your decision in my case, and I should be most grateful if you would kindly cancel the order regarding the return of the two cars which are badly needed to carry out the work of this mission.
