Subject: Assignments of Staff Cars.
To : Vice President,
Establishment Section.

File No: G4/101/12
Date 2nd March, 1945.

1. Lieut. Colonel Friend James has just telephoned to say that the 15th Army Group Car Coy. cannot now provide him with a staff car, and he therefore asks to retain the staff car he has at present.

2. We are very short of staff cars and A.F.H.Q. has recently written to say that we are to take requisitioned cars instead of W.D. cars.

3. Will you kindly say whether or not the staff car is to remain with Lieut. Colonel Friend James.

4. Lieut. Colonel Friend James also reminded me that the Executive Commissioner had promised to exchange certain cars with Colonel Montfort when new vehicles were received from A.F.H.Q. However, in view of the decision at (2) above, nothing can be done about this at present.
