AMENDMENT NO. 1

Executive Memorandum No. 1, Hq. Allied Commission, 12 February 1945, is amended by adding thereto the following:

"6.1. Wherever, in the preceding paragraphs, reference is made to the travel of nationals of countries not receiving lend-lease, whose travel is sponsored and for whom travel orders are issued by A.C., such reference will be interpreted to include the travel of nationals of countries receiving lend-lease, whose travel is sponsored and for whom travel orders are issued by A.C., when such nationals are directly employed by A.C., and are paid from A.F.A. funds at the rates laid down for locally employed Italian civilians, and when the travel performed is in the interest of A.C., rather than of the nation of which the traveller is a citizen."

Attention is invited to attached copy of travel order (folio /), and to appended copy of Executive Memorandum No. 1, c. s. (folio 2),

The question which has arised, and which is passed to you for adjudication, is, to whom should the travel should the travel of the subject civilian be charged.

For consideration are the following points:

a. Travel for nationals of countries receiving lend-lease is payble by the country only when such nationals are performing travel in the interest of the country concerned.

b. Travel performed by Italian civilians (or other nationals of countries not receiving lend-lease) on behalf of the Allied Commission is payable by the Allied Commission.

c. Subject civilian (a Dutch subject) is employed by Allied Commission, and paid by Allied Commiasion, at the same rate and on the same basis as a locally-employed Italian civilian.

It would appear from the foregoing that this case should be considered as in the same category as that set forth in Para 3 (b) of Executive Memorandum No. 1, i. e., individuals whose travel is sponsored and travel orders issued by A. C. It is further proposed that Executive Memorandum No. 1 be amended to include in the same category as nationals of countries not receiving lend-lease, the travel of nationals of countries receiving lend-lease, when such nationals are performing travel sponsored by AC, and for the performance of which appropriate orders are issued by AC, when such nationals are locally employed, and paid by AC.

Would you please indicate your agreement with the foregoing.
