1. Reference our AG/4023/2/L, of 24 August 1945 and your 136/EST of 4 September in reply thereto.

2. The matter in issue is not the appointment of a "Chief Judicial Officer" but the delegation by the Chief Commissioner to a Judicial Officer not below the rank of Lt. Col the power to review certain cases. Attention is drawn to Article 32, paragraph 3, "Consolidated Instructions" which specifically requires the appointment by the Chief Commissioner of such officer for such purpose. The Article in question reads as follows:

"3. The record of the following cases will be reviewed by the Chief Commissioner OR by a judicial officer not below the rank of Lieutenant Colonel APPOINTED BY HIM FOR THAT PURPOSE....."

3. Whatever may have been past practice, the fact remains that the law is clear. Also, attention is directed to the fact that the Military Governor of Italy has studiously delegated by written authority to each succeeding Chief Commissioner the power to review cases; it is a portion of this power that the Chief Commissioner delegates under authority of Article 32, paragraph 3, "Consolidated Instructions".

1. On the departure of Major S. Stewart Patrick, Acting Provincial Commissioner for the above province, for service in Austria per Special Order 127, Par. 10 Hq A.C., Major J.H. Lummus, Executive Officer, Ravenna Province, was appointed Acting Provincial Commissioner.

2. In spite of the immediate occurrence of a number of unexpected problems, including renewed Patriot activities occasioned by the example of the newly-liberated provinces, and the necessity of evacuating civilians to make room for a very large number of German prisoners of war, Major Lummus has taken hold of the provincial situation very well and I feel will handle his responsibilities very maturely.

3. I recommend that Major Lummus be designated as Provincial Commissioner, Forli Province.
