SUBJECT: Reduction of Telephones in HQ. AC.

TO : HQ. Commandant.

1. In connection with the general policy of reduction of Signal commitments the Signal Officer, R.A.A.C. has requested consideration be given to a reduction of direct exchange lines connected to this Headquarters.

2. A comparison of personnel and telephones as at 1st May 1945 and the present day is as follows:-

	<u>1 May 1945</u>	<u>31 Jan 1946</u>
Officers (A & B)	334	308
Civilians (A & B & It.)	99	111
Total personnel	433	319
Direct exchange lines	138	135

Allowance made for 30 officers likely to be declared surplus.

3. In view of the approximate reduction of 26 % of the personnel it appears reasonable to effect a 20 % reduction of direct exchange lines at once followed by further reductions as the personnel is decreased in the future.

4. It is requested, therefore, that the following Sub-Commissions be informed that it is proposed to reduce the number of direct exchange lines as shown and that they should advise the AC HQ. Signal Officer of the telephone numbers they wish to be disconnected.

5. It might be pointed out that at this stage no reduction of internal extension lines is contemplated and that every Department is well supplied with extensions most of which are available for calls to the City automatic system and Trunk calls etc. A schedule is attached for your information showing the number of officers and telephones allotted at present to the various Sub-Commissions etc.

I - PROHIBITION OF PARTICIPATION OF ALLIED PERSONNEL IN ITALIAN POLITICAL
AFFAIRS

The following letter from Allied Force Headquarters, subject as above,
file AG 000.1/095 GEG-O, dated 17 February 1945, is published for the
information, guidance, and compliance of all concerned:

"1. Members of the Allied Forces must refrain from any direct
or individual participation in Italian politics. Strict compliance
with this principle will become more important than ever as the
Italian Government assumes an increasing measure of political respon-
sibility over a more extensive area of Italy.

2. Casual attendance by Allied Forces personnel at political
meetings, and even private conversations with Italians on political
subjects, may lead to misunderstandings and will be avoided on all
occasions.

3. All commanders will issue orders to all concerned to re-
frain at all times from any form of participation in Italian politi-
cal affairs."

To : The Acting Chief Commissioner

In order to avoid confusion between the General Orders promulgated in AMG territory for Military Government purposes and the General Orders of the Commission, I put up this morning to the Chiefs of Staff the suggestion that the latter be called "Executive Orders" and that a new series be begun which will be prepared for your signature. The Chiefs of Staff are in full agreement. Subject to your approval, the first two of this series are submitted herewith.
