AC/Tn/R/52/20

13 December 1944

SUBJECT: Personnel required to operate additional G.T. Companies and QM Truck Companies.

TO : AFHQ, C-5 (Attention Col. Butterworth).

1. Reference is made to Para. 6b. of Appendix 'C' of AFHQ Log Plans Paper - Log P.164, dated 29 November 1944, and also to our letter AC/Tn/R/1 dated 8 Dec 1944.

2. It is known that 1700 vehicles are due to arrive by phased programme during the next three or four months. It is also known that a requisition for an additional 3000 vehicles has been approved by AFHQ, and it is therefore assumed that these vehicles will materialise at some future date.

3. In order to inaugurate a training ~~and retaining~~ programme necessary for the provision of experienced drivers, it is imperative that immediate action be taken to have Allied Commission's Italian ceiling, both A & B, raised.

4. It is proposed by AC, that a proportion of the total of 4,700 vehicles should be operated in the following form:-

- a. 8 G.T. Companies of 4 operating Platoons each - 1856 load carrying vehicles.
- b. 16 Q.M. Truck Companies of 50 trucks each - 800 vehicles.

These formations will, therefore, account for 1856 vehicles. The balance of 2,844 vehicles will be operated by civilian organisations.

5. It is requested that personnel necessary for the formation of the 8 G.T. Companies be provided as set forth in War Establishments as follows:

NA/317/1, III/116/2, II/117/2, III/121/3, NA/317/0, III/122/1, III/116/2, III/117/2, 121/2, and 122/3.

This will entail the following totals:-

British Officers	32
British O/Rs	218
Italian Officers	72
Italian Personnel	3344

NOTE:- The figure 3344 is arrived at by duplicating the total ORs in view of the fact that the vehicles will operate on a 24-hour basis.

It is also requested that a H.Q., CRASC be provided for the administration of the above transport companies.

Italian personnel and American supervisory personnel for the 16 Q.M. Truck Companies is also requested as follows:-

Italian Personnel. 2960 - 1760 organized as per TO/TE 10-56 and 10-57, plus 1200 extra drivers for the 24 Companies in order to operate all companies on a 24 hour-basis.

32 T/4 - Truck Drivers (heavy) (345)	
16 T/4 - Mechanics Auto (014)	
16 T/5 - " " (014)	

6. It is proposed that the G.T. Companies personnel be trained by the British military authorities, and that, when trained and ready for operation, these companies should be placed under AAI for administration and maintenance, being attached to A.C. only for operational purposes.

7. Personnel for the 16 Q.M. Truck Companies will be trained by A.C. at the A.C. school of driving instruction.

8. It is urged that the training of the G.T. Companies personnel by the military authorities commence at the earliest possible moment, and that similarly QM Truck Companies personnel for training by AC be provided immediately in the following

increments and on the following basis:-

2 Companies by 20 December, 1944

4 Companies on each successive fifteen days.

9. Tools and equipment, including control vehicles, necessary for the training and operation of the above-mentioned ~~of~~ Truck Companies are listed and requested in our letter AC/Ta/R/25 of even date.
