I must throw this back to you because Moore is a U.S. officer but the question is tricky.

I feel the matter is one of policy that neither you or I can give a ruling on.

There is however an irregularity here. 3974

This guy is a locally employed civilian who is drawing Am or Pv ration (or both) while at the Bella Vista mess. That is dead against regulations.

SUBJECT: Living Quarters for Lt. Laurence G. Moore and wife!

TO : Col. C.M. Parkin
Commanding Officer, 2675 Regiment.

1. My wife and I were married on September 15, 1945 and to date have found it impossible to find an apartment or other living accommodations in Rome despite the very diligent and co-operative assistance of Capt. Guarino, the billeting officer, and others.

2. At present I am billeted at the Pensione Bella Vista where my wife and I take all our meals.

3. Request is respectfully made for permission to have my wife billeted with me at the Pensione Bella Vista. No additional space is required since there is already sufficient room at the Bella Vista for my wife.

Lieutenant, USNR
