1. Bids for tonnage for the above period should be submitted in writing to reach this HQ by 1100 hrs 26 Mar 44. Bids should show:-

(a) The basis of calculation in terms of:-

- (1) Formations, Squadrons, Groups etc.
- (ii) Troop Strength.

(2) The tonnage (in Long Tons per day) required for:-

- (i) Consumption.
- (ii) Build up (including any requirements to increase reserves to authorized targets).

2. PHS and New FLACCO are respectively requested to state by 1100 hrs 26 Mar 44 the anticipated capacity of the WEST coast and EAST coast ports and the deduction made to allow for UNRELIABLE outloadings.

3. A conference will be held to consider these bids at 1100 hrs 29 Mar 44 in the CONFERENCE ROOM at this HQ. Only those Hqs and Services directly interested in the statement of port capacity and the bids listed in Appendix "A" (Maintenance Tonnages Acceptable) will attend.

4. This will be the first short-term bidding meeting at which long-term bids made by this HQ will be known.

As announced at the last short-term bidding meeting, long-term bids will be given priority of acceptance. Supplementary bids will, however, be received up to the balance of port capacity not absorbed by long-term bids. In such cases, an explanation for the increase in the short-term over the long-term bid should be given. The long-term bids for May 44
