PETROLEUM FOR CAMPOBASSO.

I have to refer to the Message you have received from this Division in Bari, reading as follows:

"TRANSPORT CAMPOBASSO THIS SIDE IMPOSSIBLE SUGGEST SHIPMENT FROM NAPLES WITH TANKER LEAVING BARI POSSIBLY TODAY AS PROMISED COL; KING WEST".

I have been informed by telephone that the above message was transmitted to you after Gip in Bari had declared their inability to supply Campobasso by road from that side, owing to bad roads and consequent damage to transport.

2. Unless communications are easier from Naples, the only solution will be for Campobasso's civilian requirements of pol to be met by the Army, and arrangements will have to be made accordingly.
