CAPT ALFRED E. PUGH - 0254316, INF. Think about 40. Seems to have plenty of Agricultural experience, but consider should have at least a week on trial being being committed to him. Has been applied for by Major Revere on this basis and a reply is still awaited.

No Italian. Believe is on the actual staff of Replacement Bn.

1ST LT ROBERT R.P. BRANCHLEY. Aged 29. At the Depot. In my opinion has sufficient practical and theoretical knowledge to warrant being taken on A.M.G. Agricultural Section right away. About 10 days ago was applied for by Peninsular Base Section to be assigned to G.4 to work for them, doing liaison between their office and mine. I understand that this application was turned down.

SUBJECT: Additional Agricultural Personnel.

Following Major Kennedy's talk with you on Saturday, he went to see Lt. Col. Sorsson, C & A Section, regarding obtaining temporary assignments of officers qualified in Agriculture from Replacement Bns.

While he informed Major Kennedy that the matter was one of policy to be made by N.A.T.O.U.S.A., he indicated to him that the quickest method of obtaining results would be a request from General Robertson to General Pence.

There are at present, or were a short time ago, the following Officers in Replacement Bns, who have Agricultural experience:

Capt Pugh 4
" Kinard 2
" Pilcher 3
Lieut Branchley 1

Besides handling the seed potatoes and distributing the stocks of artificial manure over occupied Italy, Major Kennedy is in urgent need of an assistant for Benevento Province, to supervise tobacco planting and amassing of oil, also Avellino Province for the same purposes, and in connection with the sulphur mines for fruit sprays.

Temporary assignment of 3 of the above experienced

him that the quickest method of obtaining results would be a request from General Robertson to General Pence.

CAPT ALREF E. PUGH - 0254316, INF. Think about 40. Seems to have plenty of Agricultural experience, but consider should have at least a week on trial being being committed to him. Has been applied for by Major Revere on this basis and a reply is still awaited.

No Italian. Believe is on the actual staff of Replacement Bn.

1ST LT ROBERT R.P. BRANCHLEY. Aged 29. At the Depot. In my opinion has sufficient practical and theoretical knowledge to warrant being taken on A.M.G. Agricultural Section right away. About 10 days ago was applied for by Peninsular Base Section to be assigned to G.4 to work for them, doing liaison between their office and mine. I understand that this application was turned down.

SUBJECT: Additional Agricultural Personnel.

Following Major Kennedy's talk with you on Saturday, he went to see Lt. Col. Sorsson, C & A Section, regarding obtaining temporary assignments of officers qualified in Agriculture from Replacement Bns.

While he informed Major Kennedy that the matter was one of policy to be made by N.A.T.O.U.S.A., he indicated to him that the quickest method of obtaining results would be a request from General Robertson to General Pence.

There are at present, or were a short time ago, the following Officers in Replacement Bn's, who have Agricultural experience:

Capt Pugh
" Kinard
" Pilcher
Lieut Branchley

Besides handling the seed potatoes and distributing the stocks of artificial manure over occupied Italy, Major Kennedy is in urgent need of an assistant for Benevento Province, to supervise tobacco planting and amassing of oil, also Avellino Province for the same purposes, and in connection with the sulphur mines for fruit sprays.

Temporary assignment of 3 of the above experienced
