1. This return reached me from 209 Div on 14 July.
I have written a strong letter, copy to you.

2. Previous incompetence resulted in their commissariato
officer having to go. It looks as though his assistant
will have to wake up or also go.

3. As the return is now out of date and my clothing
situation is good, thanks to substantial consignments,
I will despatch next return as for 15 July.

1. It is well known by the Commission that among the clothing returns he submits to me on the last day in each month. It is very important that my HQ to receive this as quickly as possible on the allocations for the ensuing period. I have to signal twice to you - on the 6th and the 14th. The return finally reached me on the 14th. The forwarding it was dated the 10th July and the clothing situation as being 'alla data del 10/6/45'. The actual return, on the other hand, is dated 'al 30/6/45'. I do not understand this contradiction. It mentions that two copies were attached whereas the Allied material had only one copy.

2. Please treat this matter as important and ensure that the return is far more promptly rendered in future. The next one urgently required is as at 15 July.

1. D.A.D.O.S. M.M.I.A. N/PLES letter, ORP/14(6) dated 5 Apl/45 with copy to you, explains except as regards towels, why the quantities you received in the despatch of stores from PRATTANAGGIORE on 25 Mar/45 did not tie in with those released by my signal Q/CS/88 of 7 Mar/45. Of the 5,000 towels released only 2500 (2484) were received. However, as your stock return for 31st Mar/45 records no "dues in" for towels, I assume that they were collected or despatched with an earlier consignment. Will you please confirm.

2. The whole consignment consisted of items released on Q/OS/88 and those still outstanding to 209 Division vide allotments made on Q/OS/15 dated 31.1.45 and Q/OS/59 dated 14.2.45.

3. 4000 pairs of Boots were despatched by rail on 29.3.45 and 28000 Bush Shirts plus 28000 KD Slacks by 10 lorries on 30.3.45.

1. It has been difficult to fill in the "Dues in" card as there is always a considerable discrepancy between the allocation notified and what arrives.

2. There was a release AQ/Bri-Iti/I of 5 January to 209 Division Sub Dept. On 30 January, I signalled ROME saying that I would arrange collection as this material was urgently needed. You replied 2/03/43 of 3 February that stores were available for collection at PRATTAMAGGIORE.

3. I eventually managed to get the transport by the 22 February. They returned with approximately:

Boots	5,940	prs
B/D Blouses	5,750	
B/D Trousers	2,990	
Dressers	3,000	
Socks	5,000	prs
Caps	1,000	
Shirts	985	
Cups	2,000	
Towels	4,000	
Water Bottles	250

This assignment does not correspond in any way with AQ/Bri-Iti/I of 5 January.

between the allocation notified and what arrives.

2. There was a release AQ/Bri-Iti/I of 3 January to 209 Division Sub Depot. On 30 January, I signalled ROME saying that I would arrange collection as this material was urgently needed. You replied Q/C3/36 of 3 February that stores were available for collection at PRATTAMAGGIORE.

3. I eventually managed to get the transport by the 22 February. They returned with approximately:

Boots	5,940 prs
E/D Blouses	5,730
E/D Trousers	2,990
Drawers	3,000
Socks	5,000 prs
Caps	1,000
Shirts	985
Cups	2,000
Towels	4,000
Water Bottles	250
Sprons	500
Dusters	100

This assignment does not correspond in any way with AQ/Bri-Iti/I of 5 January.

4. It bears some resemblance to the allotment in your signal Q03/19 of 30 January.

Your further signal Q03/II of 30 January mentions 3,000 Drawers and 3,000 prs Boots.

I unfortunately do not know exactly what has happened to these allotments.

The only material that has arrived this month is in para 3 (apart from 4,000 gloves and 1,600 socks collected from PARI - Q03/9. It would seem to me that what I have received from PRATTAMAGGIORE is a mixture of all the allotments. A considerable amount, however, has not yet been despatched.

Q03 23 of Jan 30 allts 3,000 Towels. I do not know if the 4,000 in para 3 is this allotment

To:- Land Forces Sub Comm A.C.

Q/OS/2/1

1. This return for 30/1/45 is rendered a little late as a large consignment arrived on the 30th and it had to be counted. Also the clothing store at OSIMO was in the process of being brought to PERUGIA. I have the 209 Division Commissariate Officer admonished for not submitting the return sooner to me.

2. In the store on 30/1/45.

3. My situation is satisfactory apart from socks. A large number of the shirts are too small - presumably shrunk as to be unwearable.
