On the 21st. april 45, amongst other items, 8 bales of Belts were delivered by lorry to this Depot. No quantity was marked on each bale but the convoy note showed, in total, 3000 Belts.

As the bales were intact the Italian Stores Officer accepted this figure as correct.

On opening, however, it was found that each bale contained 180 only, total receipts therefore being 1440 Belts.

The Italian Officer signed for 8 bales only.

Will you please investigate and notify this office of any action to be taken.

Reference conversation Col.Noakes - Lt.Col. Smith 16 April 1945.

1. Approximately three fourths of the space in depot 1750 is to be immediately allocated to BR-ITI. Present warehouse space at Frattamaggiore and Frattaminore cannot satisfactorily handle large clothing transfers from 557 B.O.D.

2. Italian depot N°1, San Giovanni Teducci is being enlarged by removal of civilians now occupying a part of the properly and as a result, Captain Ventrella will be in position to handle 1,000 tons of clothing and material in this warehouse, if and when it is necessary.

3. All papers pertaining to receipts and issues of BR-ITI clothing and equipment at depot 1750, will bear the designation 1750 (BR). Italian transactions will continue to use designation 1750 only.

1. It is planned that, when the main body of 230 Div moves forward, it will carry with it essential items of BR-ITI clothing to maintain the tps it will serve for one month. I have therefore signalled you today instructing you to prepare the first brick, composed of the following items:-

Boots	5.000	pairs
Shirts bush	500	
Slacks KD	1.000	
Drawers cotton	1.000	
Socks	5.000	pairs
Blankets	1.000	
Towels	1.000	
Caps	500	
Shelter halves complete	500	

Confirmatory copies of my signal are attached.

2. These items will be earmarked and set on one side so as to be instantly available in GIORDANO for loading when vehicles report for collection. You will be warned of then arrival.

3. As soon as this first brick has been collected, you will immediately prepare a second one, composed of similar items and quantities, exercising again the authority to draw from DADOS MMIA NAPLES if your then existing stocks in Giordano are not sufficient. Ref. your Q0/24 of 7 Apl/45.

1. The question of the consignment of stores from CASTANAG= GIONE now seems to be cleared up and your boot position easier. However to avoid any recurrence of a boot shortage, I have included in a bulk allocation of stores five thousand pairs of boots which did not show as a requirement in your stock return at 31 Mar/45 - vide my signal Q/OS/142 of 9 Apl/45.

2. M.E.I.A. L.O. NAPLES will act on the request in para 3 of your letter.

Ref signal Q/03/85 of 7 Mar/45 and confirming telephone conversation 16 Mar/45, AIREY-GREENWOOD.

1. Q (AG) has verbally advised that 200.000 grade III slacks KD and 200.000 grade III bush shirts will be issued by 2 Sub Depot 557 BOD for BR-ITIS. Ord (Br) is not yet able to give the date upon they will become available. Will you please maintain close touch with the O.C. of that Sub Depot regarding the date of availability and keep me informed.

2. Will you please also question the O.C. about the extent to which this grade III may need repair on processing.

3. My signal Q/05/83 of 7 Mar/45 informed A.F.H.Q. that 15.000 sets would be acceptable in BARI. It is understood that A.F.H.Q. is arranging accordingly and that consequently 30.000 pairs of slacks KD and 30.000 bush shirts will be shipped direct from 2 Sub Depot 557 BOD to BARI. N°8 Depot will thus be required to handle the balance of 170.000 of each garment. The question of adequate accomodation is of importance.

4. I give below the probable distribution of this clothing. The figures are preliminary only and will be confirmed later.

LAND FORCES SUB COMMISSION,

R O M E
ORD/11/M/1
1 March 1945

SUBJECT: SORTING SHEET

TO : M.M.I.A. L/O NAPLES
ATT: Major Airey

207. Attached here-to is Sorting Sheet No. 8/7 dated 24 Feb. 45, returned for correction.

208. Obviously one can not start with 4000 pounds of salvage, sort out 2606 Battledress, 6300 Socks, 240 Shirts, Wool, and have left over 4000 pounds to sell to Alcom.

209. The 500 pounds at the foot of column (4) is not the total weight of the items sorted. If Battledress weighed only 4-oz. each item, one would get more than 500-lbs. as a total.

210. I don't understand the notation on line with the Trousers, B. D. There is only one credit on the Sorting Sheet which is the total of the first column headed "Pounds Sorted". The quantities listed in the column headed "QUANTITIES" are to be posted as DEBITS to their respective accounts; the totals of the last two columns also are debits.

211. Please insist that the depot personnel do not take liberties with the accounting procedure as laid down by Administrative Instruction No. 19.

212. Thank you, and am holding the original of a/m Sorting Sheet.
