1. I am directed to instruct you to place one ARTIERI Coy at the disposal of the Chief Engineer No 2 District in one weeks time.

The units in CALABRIA should not be touched as they are fully employed on important works.

It is suggested that the 210 Coastal Div Artieri Coy could be spared from its present role.

2. Will you please ensure that the unit selected is made up to a strength of at least 200 before moving.
3. Notification of Destination and Movement Order will follow.

C/o No 2 District

17 DEC 43

M.M.I.A.
REQUIRE.

Ref Capt BIRD's questionnaire of 16 DEC 43.

1. Of the four LAVORATORI GPS D.D. (Labour), 2 District wants 6 and 7 for BARI port labour and 8 and 9 for BRINDISI port. 6 and 7 GPS are moving on 19 DEC, 8 and 9 on on a date yet to be fixed, preferably sooner and possibly by road.

This will bring the figure for BARI to roughly 8000 which DD (L) states will probably satisfy his needs. Port labour for BRINDISI is now priority one.

2. DELEGAZIONE TRASPORTI have already put in a demand for the move of 5 or 6 batches of 3 to 5 waggons each for conveying foodstuffs to the Italian Army in Calabria. Polling stock is nearly all taken up with Eighth Army maintenance stores of first priority so MOVEIT are trying to lay on a schooner to do this trip.

3. 34 waggons have been loaded with gun for the Mot Bde at 5 different ry stas. By traffic to NAPLES is so by that MOVEIT asked PLAMBO for a priority list. In this list these waggons, which will make up 2 or more train-loads), appear as "miscellaneous" giving no impression of urgency so much so that MOVEIT tried to arrange for the gun to be off-loaded again to free space for more important material. Before taking further action MOVEIT await a message from PLAMBO (in answer to your signal to PLAMBO) giving a revised priority for these waggons.

4. At App A and B are copies of two typical ry demands made by the DELEGAZIONE on MOVEIT. These demands invariably quote either an Italian authority for the move or none at all and are consequently down-graded in priority by MOVEIT. Since some of these moves obviously emanate from MEIN or some other British authority and deal with important moves of Italian personnel for port labour etc, I have suggested to MOVEIT (and they have agreed) to instruct the DELEGAZIONE always to quote the British authority for a move where one exists. When MEIN give the

wants 6 and 7 for Bari port labour and 8 and 9 for maintenance. 6 and 7 Gps are moving on 19 DEC, 8 and 9 on a date yet to be fixed, preferably sooner and possibly by road.

This will bring the figure for BARI to roughly 8000 which DD (L) states will probably satisfy his needs. Port labour for BRINDISI is now priority one.

2. DELEGAZIONE TRASPORTI have already put in a demand for the move of 5 or 6 batches of 3 to 5 waggons each for conveying foodstuffs to the Italian Army in Calabria. Rolling stock is nearly all taken up with Eighth Army maintenance stores of first priority so MOVEIT are trying to lay on a schooner to do this trip.

3. 34 waggons have been loaded with amn for the Mot Ede at 5 different ry stas. By traffic to NAPLES is so by that MOVEIT asked PLAMBO for a priority list. In this list these waggons, which will make up 2 or more train-loads), appear as "miscellaneous" giving no impression of urgency so much so that MOVEIT tried to arrange for the amn to be off-loaded again to free space for more important material. Before taking further action MOVEIT await a message from PLAMBO (in answer to your signal to PLAMBO) giving a revised priority for these waggons.

4. At App A and B are copies of two typical ry demands made by the DELEGAZIONE on MOVEIT. These demands invariably quote either an Italian authority for the move or none at all and are consequently down-graded in priority by MOVEIT. Since some of these moves obviously emanate from MACI or some other British authority and deal with important moves of Italian personnel for port labour etc, I have suggested to MOVEIT (and they have agreed) to instruct the DELEGAZIONE always to quote the British authority for a move where one exists. When MMIA give the DELEGAZIONE such authority it should be rptd to MOVEIT.

MOVEIT will now send me a copy of messages ordering moves of personnel, ~~copy~~ which is always sent to you.

COMANDO DELLA 7^a ARMATA
ufficio riordinamento

n° 2590 di prot. P.M.107, 11 22 novembre 1943
OGGETTO: militari sbandati.

ALLA MISSIONE MILITARE INGLESE
presso il comando della 7^a Armata P.M. 107

5570
Informo codesta Missione che numerosi militari sbandati da località della Capitanata, prossime a linee ferroviarie già in funzione, presentatisi alle stazioni cc.rr. per il successivo inoltramento ai campi di riordinamento, non sono stati avviati poiché non è stato loro concesso dalle Autorità Britanniche il trasporto ferroviario.

Così a Cerignola risulta che si sono presentati al CC.RR. del posto e non avviati circa 1000 uomini.

Mentre ho disposto che l'avviamento dei militari in questione avvenga comunque con mezzi di fortuna, a piccoli scaglioni giornalieri, rappresento quanto sopra per l'eventualità che codesta Missione voglia interessare le Autorità Inglesi al fine di ottenere che i militari stessi possano fruire dei trasporti ferroviari in transito.
