1. The operation of the Ministry of War E.L.S. Coy is being seriously delayed owing to lack of tyres for the 42 Motorcycles so far assigned to the unit.
2. Since the function of this unit is long distance despatch carrying, it is essential that each machine be provided with good quality tyres. I have inspected the vehicles now in possession of the unit, together with Maj Taylor, and it appears that only about 10 machines will have sufficiently good tyres for long distance runs.
3. No further tyres of the correct sizes (3,50 x 19 and 3,00 x 19) are available from Italian Army sources in Italy.
