1 AND 2 ITALIAN CINEMATOGRAPH UNITS

Reference your letter 15764/Orà/1 dated 8 Aug 45.

1. Authority is not granted for the recall of the above mentioned units to Rome. It is considered that overhaul of equipment and production of a documentary film can be undertaken equally well in the north.
2. Further it is considered that the recall of these units should be widened to include the production of training films. Please examine this proposal and advise this office of your conclusions.
3. A unit styled as No. 2 Italian Cinema was giving cinema shows to 10 Indian Div troops in the MONTALCONE area some two weeks ago. If this unit should be No. 2 Italian Cinematograph Unit, and is still so operating, it should be withdrawn and employed solely with the Italian Army.
