TO : MINISTRY OF WAR

1. Appx "A" to this HQ letter G/11/8 dated 19 Jan 45 (Record of Progress in the organization of ER-ITI Service Units) and Appx "A" to this HQ letter SD/2/2 of 27 Mar 45 (as amended) (Priority List Eight, Formation of new ER-ITI Combat and Service Units), neither to all, are cancelled. AFHQ letter AG 091.711/051 CCT-0 of 13 June refers.

SUBJECT: Provision of Italian Army Units

TO: President  
Allied Commission  
FOR: Land Forces Sub Commission (MMLA)

1. Reference is made to MMLA SD 2345 of 26 February 1945.
2. It is noted that the intake of recruits into Base Rft Depots is now satisfactory.
3. It is undesirable from the training point of view that existing camps should be swamped beyond their planned capacity, and it is necessary that you modify future call-up to conform with the rate at which camps can turn out basically trained soldiers, and the rate at which rfts can be absorbed.
4. No authority has yet been issued for completion of the PR-ITI ceiling and it is possible that demands for units will fall short of the full figure for some time to come. Revised demands are now being prepared in reply to **letter from G-3 this headquarters, ASD/922.2 of 19 February 1945**, and a consolidated priority list will be forwarded to you and to Districts in due course.
5. It is thought that many units do not as yet contain the proper tradesmen in accordance with WE, and also that many of the personnel employed are not up to the standard required for the allied war effort. Where the intake of recruits provides a surplus which cannot be absorbed immediately to meet deficiencies in old or new units, every effort will be made by the Italian authorities under your direction to weed out unsuitable personnel and to replace them from the surplus intake.
6. In reply to your recommendations:
  - (A) See paragraph 3 above.
  - (B) - As British Staffs at Depots have to indent for equipment for formation of units it may prove difficult to divorce units from Depots during formation, but this problem is being investigated.
  - (C) Districts have already been warned that the capacity of Base Rft camps is to be increased to 6,000 each when circumstances permit.
7. In order that the intake of recruits may be related to camp capacities and rate of training you are requested to forward as soon as

SUBJECT : Provision of Italian Army Units (BR-ITI Service Pos)

MEMO TO : ALL CONCERNED

Reference this HQ letter 922.2 dated 20 November 44 (not to all).

1. Since the original programme for the formation of new Italian Army Units was established by AAI in letter ref AAI 1601/53/G(SD1) dated 6 July 44, operational conditions within the Theatre have changed, and it is considered that Armies, Districts and Branches of this HQ may wish to modify or extend that programme, which is republished for convenience at Appendix 'A' to this letter.

2. With the establishment of a recruiting and reinforcement training system in Italy, it is expected that large numbers of personnel with slight basic training only will become available in about 5 weeks time over and above those required for completion of existing units to BR. The formation of new units is therefore dependent on the degree to which further training can be given to recruits in the terms of paragraph 23 of this HQ letter 922.2/1 of 9 Jan 45 (Minutes of meeting on Training of BR-ITI forces), that is, by attachment to existing units or by training under Service arrangements. It is anticipated that some of the units at present projected may prove too ambitious in character in view of the low level of technical skill to be expected in recruits. It is recommended that, when services are unable to provide immediately the necessary technical training, all new units should be designed for non-technical employment as far as possible.

3. The present approved Order of Battle of BR-ITI service units is shown at Appendix 'B'. You are requested to complete a return in accordance with the proforma at Appendix 'C', to show the revised requirement for new Italian Army units. This return will include ALL Italian Army personnel presently employed in this Theatre either in units or as individuals, whom it is desired to retain. Orders will be issued in due course for the disbandment and redistribution of personnel not covered by the new programme. Auxiliary units for Combat Groups and CESANO Rft Trg Centre are NOT included in this survey.

4. It is requested that completed returns reach G-3(ORG) Foreign AFHQ, not later than 5 March 45, through the usual staff channels.
