Capt. PHILIP,
Army Sub Commission, LO with CIL.

1. Your letter of 21 July on above subject has been read with interest by the G.O.C., and he has asked me to tell you that whilst you are quite right in making such a report and in sending a copy to Eighth Army, you should NOT send a copy to AAI. That will be done by us if it is considered necessary. In this case it will do no harm and may easily do some good.
2. Regarding your suggestions in para.6, surely POLCORPS has all that info? If it has not, you should put 26 BLU in the picture as soon as possible.
3. The matter will be discussed with AAI, but it seems, according to your para. 2, that you have already taken the immediate action necessary.
4. A further report from you either written or verbal will always be welcome.
