FREEDOM 489

17 Sep 44 1667

SUBJECT : 1stn Regt - Substitution of ITALIAN drivers
by BASUTO drivers.

TO : C-3 (ORA)

1. The Italian drivers in 7 Mtn Regt are not proving a success.
2. In the first place it is probably unsound to mix British soldiers with ITALIANS in an operational unit, and in the second it appears unlikely that the ITALIAN military law can be altered in the near future and in the meantime the ITALIANS go absent whenever it suits them.
3. It is therefore considered that arrangements should be put in hand at once for training the necessary BASUTOS as drivers and substituting them for the ITALIAN drivers, thus bringing 7 Mtn Regt into line with 65 Mtn Regt.
4. The substitution of BASUTOS for ITALIANS entails the provision and training of 559 BASUTOS. In addition approximately 150 BASUTOS should be provided as first line reinforcements, thus making a total of 709 BASUTOS required.

4. The substitution of BASUTOS for ITALIANS entails the provision and training of 959 BASUTOS. In addition approximately 150 BASUTOS should be provided as first line reinforcements, thus making a total of 709 BASUTOS required.
5. Training of BASUTO drivers is already being undertaken at RMTD. Provided these facilities are increased the training of the additional BASUTOS for 7 Mtn Regt will present no particular difficulty.

Ministry of War.

1. Capt. VELLA Ernes, senior Italian Officer, 7 Mtn. Regt., has been given 40 days convalescent leave from 20 May, and it seems probable that he will not be sufficiently recovered at the end of that period to rejoin the Regt.
2. The OC. 7 Mtn. Regt strongly recommends that Tenente GYCHERINI R. is promoted in the place of Capt. VELLA Ernes. He is efficient and thoroughly conversant with the work, and it would not appear desirable at this stage to post an officer from outside, who has not had experience within the Regt.
3. Will the Ministry of War please consider this recommendation and inform this HQ of their decision.
4. The OC. 7 Mtn. Regt wishes to express his appreciation of the hardwork and efficiency shown by Capt VELLA Ernes during the formation of the Regt.

Ref your Sp/2/1/3 dated 11 May.

1. The deficiency of Italian ORs as shown by 7 Mtn Regt RA (now amounting to 40 below WE), is due to :-

(a) wastage through sickness

(b) the return of 50 ORs in April on the advice of the Italian Medical Officer of the unit (over 40 of these men going down almost weekly with malaria).

2. It would be appreciated if this deficiency could be made up as soon as possible, even though the question of Italian re-inforcements is still under review.

Subject: Rpts for the Italian Pack Tpt Corps of the Y.R.A. Mountain Regt.

Further to y. SD/2/1/6 of 17 Feb, we instructed the HQ. P.F.A.A. SARBINIA to prepare the following personnel to reinforce the Italian units of the Y.R.A. Mountain Regt.

- 4 Fanners or Fanners of training
- 1 Saddler
- 2 Clerks
- 1 Interpreter (English)
- 12.5 Conductors

133

y. SD/2/1/8 having asked to urge the preparation of other personnel, instructions were issued to the 51 Corps to draw the men from units in PUGLIE, which personnel as known will be ready to move on the 22 inst.

In order to avoid all the difficulties which are to be faced every time there is a request of rpts for the Pack Tpt Corps employed with the allies, we suggest the 133 men from SARBINIA be sent to the Mainland with the Cavalry Squadron and the ALPINI Rty assigned to the Remounting Centre at PERSANO (see our 2834/HOE of 15 inst.)

The 133 soldiers formed into a unit will stay at PERSANO as reserve to be sent to the Pack Tpt units which will require Rpts.

Please inform us of your views on the matter.

1. No reply has yet been received to this Sub Commission's letter SD/2/1/6 of 17 Feb, which requested 115 extra personnel for 7 Mtn Regt.

2. It must be pointed out that these men are required to complete the establishment of an operational unit and it is therefore highly desirable that they be furnished as quickly as possible. It would be appreciated if they could be provided by the same formation (51 Corps) as the remainder of the regt.

3. Would you, please reply to para 3 of our letter. This matter has now become urgent.

1. As a result of an increase in the War Establishment of 7 Mtn Regt, the following extra personnel are required

Porters	4
Saddlers	2
Interpreter Clerks	5
Muleteers	104 (incl 2 Corporals)
TOTAL	<u>115</u>

2. It is also requested that 10 muleteers be sent in addition to the above party to replace 10 motor drivers who were sent with the original party. Therefore if you will send a total of 125, the 10 motor drivers will be returned.

3. The Commanding Officer of 7 Mtn Regt who has expressed his appreciation of the personnel originally supplied, requests that Capitano VERA may be allowed to select the above personnel. If this is practicable, would you please state where and to whom he should report.

4. It is probable that a further 20 muleteers will be required for a signal section but this Sub Commission has not yet received orders from Allied H. to supply them.
