1. It is very much regretted that owing to the change in the operational situation, it will not be possible to form the Italian recce sqn at present.
2. It had been hoped that personnel of the recently arrived RECCO Gp would have been available for this purpose. It is not now, however, possible to use these personnel.
3. The Army Sub Commission, ACC has stated that there are no other suitable personnel, outside the CIL, who can be used for the purpose envisaged.
4. The formation of the recce sqn will therefore have to be deferred until such time as operations permit of the withdrawal of the CIL for re-organisation.

1. A Reporto Speciale Autonomo, known as "F" Recce Sqn, has been operating in 5 Corps area. The immediate release of this unit has been requested by Eighth Army. It is organized as shown at Appx "A".

2. Although its immediate fighting value in this sector is not great, it is considered essential that a similarly comprised unit should be available, in the event of more fluid operations, to go in and get really valuable information.

1689

3. For this purpose only really well gutted men, of the Paratroop type, are worth training. None of the Italian soldiers at present under command are of a sufficiently high standard.

4. It is understood that there is a shortage of suitable troops on the Italian mainland, but that two or three Italian Bns are being sent over from SARDINIA.

5. It is therefore requested that out of these, 130 first-class men, of the potential parachutist type, be despatched to this area at the earliest opportunity, in order that they may be organized and trained on the same lines as "F" Recce Sqn.

SUBJECT:- ITALIAN Units - "F" Recce.Sqn.

EIGHTH ARMY have requested 5 CORPS for the immediate release of "F" Recce Sqn.

5 CORPS (620/G(SD) of 24 Mar 44) have requested AAI for a replacement of 130 men of well gutted parachutist type.

I have been directed to state that your collaboration in the provision of this replacement would be most appreciated.

I suggested to Major. LOWLES, 5 CORPS LC to ITALIAN troops under command, that if authority was secured from AAI, he should go to SARDINIA and select the men himself.

M. Fieldman

Major,
Liaison Officer.
