Your ref.: F 34165 of 26 Feb 45.

1. The Italian Guard Bns which are under the command of the various Armies and Districts are ITI-ITI Troops and, as such, are the direct responsibility of the Italian Ministry of War. However, if a Guard Bn becomes understrength and the using Allied Agency desires it to be brought up to strength, the following procedure is recommended:-

(a) The using Allied Agency shall inform the C.O. of the Bn that it is desired that the Bn be brought up to a specified strength (TO/WE is 25 Officers, 775 EM).

(b) The C.O. of the Bn shall then forward a request for the desired number of rfts to his appropriate Italian Administrative Division HQ.

(c) The Adm Div HQ will then inform the Ministry of War and also the appropriate EMIA Liaison Officer that so many rfts are needed for a Gd Bn.

(d) The Ministry of War will assign the required number of rfts from Cat. 6c (Rfts for ITI-ITI Units) or allot them from the ITI-ITI portion of the proposed Call-ups.

SUBJECT: Italian Guard Battalions

TO: President
Allied Commission ✓
For: Land Forces Sub-Commission (MMIA)

1. Reference is made to letter, this headquarters, Mov 3/9 A, dated 10 February 1945, copy attached.

2. From recent experience during moves of Guard Battalions from 3 District it has become apparent that the reinforcement and equipment of these ITI-ITI units is a problem of immediate importance. Many units are under strength and it is understood that few have their full quota of vehicles. The WE/IO does not allow for 2 vehicles per coy as requested by the letter under reference, but it is essential that the approved scale be implemented as soon as possible.

3. It is desired that you submit recommendations for the procedure to be adopted by Armies, Districts, and Base Sections for obtaining ITI-ITI rifts/replacements for Guard Battalions, and that you arrange through the appropriate Italian administrative channels for deficiencies in clothing and equipment to be made good. You are requested to report on the progress made by the Italian Authorities in this matter.
