1. Reference HQ Signal SD 1162 of 20 Aug 44, not to all.
2. The Cremona (Italian) Division is expected to arrive at Naples from Sardinia by sea by 1 Sep 44 for onward movement to concentration area south of Benevento.
3. Precise information as to the total strength of the Division is not available but an estimate of 8,000 all ranks is given.
4. The movement policy after disembarkation is for all personnel and equipment to be moved immediately to concentration area referred to in para 2 above. This movement, with the exception of any vehicles which may arrive, will be by rail from Naples Central to Benevento.
5. Personnel will disembark under arrangements PBS XII. Liaison Officer and entrain with essential housekeeping equipment.
6. On arrival at Benevento, dispersal of personnel and stores to concentration area will be affected in HQ to be provided under arrangements PBS XII. Liaison Officer.
7. Difficulty is being experienced in obtaining any news as to definite arrival dates and it is likely that very little notice will be given of the train requirements. As soon as any information is available, however, an advice will be given by this HQ stating rail requirements and estimated times of train departures from Naples Central and arrival times at Benevento.
8. All personnel will entrain at Naples Central with full water bottles and 24 hours rations to be provided under arrangements of PBS XII. Liaison Officer.
9. Vehicles will move by road to Div concentration area under arrangements of and at times to be given by Roads Officer this HQ (Telephone Value 351).

5848

1. Reference AAI Signal SD 1162 of 20 Aug 41, not to all.
2. The Cremona (Italian) Division is expected to arrive at Naples from Sardinia by sea by 1 Sep 41 for onward movement to concentration area south of Benevento.
3. Precise information as to the total strength of the Division is not available but an estimate of 8,000 all ranks is given.
4. The movement policy after disembarkation is for all personnel and equipment to be moved immediately to concentration area referred to in para 2 above. This movement, with the exception of any vehicles which may arrive, will be by rail from Naples Central to Benevento.
5. Personnel will disembark under arrangements PAS MTL Liaison Officer and entrain with essential housekeeping equipment.
6. On arrival at Benevento, dispersal of personnel and stores to concentration area will be effected in MT to be provided under arrangements PAS MTL Liaison Officer.
7. Difficulty is being experienced in obtaining any news as to definite arrival dates and it is likely that very little notice will be given of the train requirements. As soon as any information is available, however, an advice will be given by this HQ stating rail requirements and estimated times of train departures from Naples Central and arrival times at Benevento.
8. All personnel will entrain at Naples Central with full water bottles and 24 hours rations to be provided under arrangements of PAS MTL Liaison Officer.
9. Vehicles will move by road to Div concentration area under arrangements of and at things to be given by Roads Officer this HQ (Telephone Value 361).
