"I" Service

P.M. 3800, 13 March 1945

File No. 15258/3^4

SUBJECT/: Possible temporary call for active service of Italian Reserve Officers now serving as civilians with the Allied Commission.

TO: ALLIED COMMISSION HQ - Rome

With the approval of ARHQ, this service is organizing three "Industrial Parties" to be put at the disposal of 15th Army Group, 5th and 8th Army. These parties should be employed in the zone at present occupied by the Germans in the course of its liberation.

The personnel forming these parties, besides the necessary trustworthiness and morality are to have special technical knowledge and be acquainted with the industrial organization of the region in which their activity will be carried out.

For this reason the Ministry of Industry, Commerce and Labour and the General Confederation of Industry have been requested to submit a list of technicians up to the abovesaid conditions: these men will be called back into active service with their Reserve rank.

In said list the following Italian personnel serving with the AC are included:

Lt. Comdr. Pietro APOSTOLO - Liaison Officer to Chief Commissioner  
Capt. Mario COSULICH - Industry S/C  
Lt. Emilio RICCI - Food S/C  
Lt. Marco SIGNORA - Industry S/C  
Lt. Renzo SACERDOTE - Industry S/C/.

Therefore the approval of AC HQ for a possible temporary call back into active service of the above listed officers (with the exclusion of Lt. Comdr. Apostolo, who is already serving with the Italian Navy) is requested.

Said active service shall be limited within the period that, according to the HQs of the Allied Armies, will be necessary to

=/=

=/=

carry out the tasks assigned to the Industrial Parties.

The employment relations of the abovesaid personnel with AC will be resumed when the mission above indicated will be accomplished.
