Ministry of War

1. Attached for information is copy of this HQ letter of 28 Nov, ref M/C/15, addressed to Patriots Branch, A.C.

2. In amplification of the above letter it is stressed that:-

(a) No guarantee can be given to patriots as to the type of unit or employment to which they will be assigned. This will depend on their individual qualifications and resources existing at the time. Patriots may be posted to Combat Groups, M-CII or M-III Service Units, or Guardhouses or Internal Security Units, as directed by this HQ according to the requirements of the moment in the same way as other reinforcements.

(b) Under no circumstances will groups of patriots or bands under their own officers be posted together to a unit. This is in keeping with the policy agreed between SAC, MIA, Patriots Branch, A.C., and the Minister for War.

3. It has come to the notice of SAC, MIA, personally, that the War Ministry recently submitted verbal proposals contrary to the above policy with regard to the group of patriots from MIA(250) and the group from MIA(400). These proposals are not, of course, to be entertained.

4. I am instructed to state that information on these proposals has been passed to Patriots Branch, HQ with the request that personnel be processed in the normal way by the concerned agencies based on MIA(250). Those men who are accepted into the Army will be handed over to the 5th Div., FLEWICK, who will assign them to units in 5th Army.

In amplification of the above letter it is stressed that:-

(a) No guarantee can be given to patriots as to the type of unit or employment to which they will be assigned. This will depend on their individual qualifications and vacancies existing at the time. Patriots may be posted to Combat Groups, 31-173 or 31-174, Service Units, or Guarding or Internal Security Units, as directed by this HQ according to the requirements of the moment in the same way as other reinforcements.

(b) Under no circumstances will groups of patriots or bases under their own officers be posted together to a unit. This is in keeping with the policy agreed between GAD, MOA, Patriots Branch, A.C., and the Minister for War.

3. It has come to the notice of GAD, MOA, however, that the War Ministry recently submitted verbal proposals contrary to the above policy with regard to the group of patriots from PLIMMUN(270) and the group from PISTOLA(400). These proposals can NOT, of course, be entertained.

4. I am instructed to state that information on these groups has been passed to Patriots Branch, AC with the request that personnel be processed in the normal way by the screening agencies based on PLOMUN. Those men who are accepted into the Army will be handed over to HQ 210 Div., FLOMUN, who will assign them to units in Fifth Army.

SUBJECT: Absorption of Italian Patriots into
Italian Army.

Land Forces Sub-Dir. A.C.
(M.I.A.)

TS/6/19
21 Nov 44

To : Patriots Branch

With reference to paragraph 2 of letter 18/4/75.

We shall be pleased to absorb the partisans referred to via
the following procedure :

- (a) When the partisans have been assembled at collecting
post or points, advise this Mission and transportation will be provided
for their transfer to a military camp.
- (b) At the camp they will be all screened and processed and
dispositions made accordingly.
- (c) They will be incorporated into either combat units, in
the branch of service for which they are best suited in which case they
will receive proper training and eventually join an operational outfit,
or they may be sent to service units working for the Allies.

These partisans cannot therefore be "incorporated intact" into
the Italian Army but must adhere to the above procedure for absorption
into the Army.
