Subject: Tram Reception Camp for BK 171 Reinforcements.

Information reached this office from Territorial HQ Bari, that Tram Reception Camp for reinforcements for Italian units depending from the Allies, has at present no available accommodation.

Therefore, we are not in a position to accommodate the 2000 veterans from the Balkans who are due to arrive shortly and which comprises a number returning from leave and a number in transit at S. Andrea Camp awaiting to leave as soon as Tram Camp will be in a position to receive them.

Considering the above and the proposals made by Territorial HQ Bari, this office suggests the following solution:-

a) Reduce reception in Tram Camp and dispatch to destination soldiers in transit.

b) Increase accommodation of the camp. This solution is possible although rendered difficult considering the ground.

In case suggestion b is accepted, the required bedding articles and material of general services use, should be assigned in advance so as to meet in time with the requirements.

2) Moreover, information was received that, on the recent increase in accommodation from 2800 to 4000 and when that figure was exceeded, with great delay one blanket per man could be obtained from MMIA L.O. Bari. This is considered unsufficient in view of the ~~cold winter season~~ ^{that} hardship of winter, camped men have to put up with.

Since almost all the men accommodated in the camp arrived from the Balkans and endured discomfort, privation and hardships, this office thinks necessary to issue, at least, two blankets to each man and therefore, your support is requested so as this matter, ~~be settled quickly~~ ^{be settled quickly} ~~which has~~ ^{undoubtedly reflect on} morale and discipline, be settled quickly.

OGGETTO: Campo affluenza per complementi BR-LI di Trani. *SA*

Allegato Campo BR-LI di Trani
ALLA LAND FORCES SUB COMMISSION - A.C. - MILIA - ROMA

1°) - Il comando territoriale di Bari ha comunicato che il campo affluenza complementi per reparti italiani alle dipendenze degli alleati di Trani è attualmente saturo.

Non si ha, perciò la possibilità di ospitare 2600 reduci dalla balcania che verrebbero giungere in questi giorni: parte in corso di rientro dalla licenza; parte in sosta al campo di S. Andrea in attesa di essere smistati appena Trani abbia possibilità di ricezione.

In relazione a ciò ed alle proposte del comando territoriale le suddetto si prospettano le seguenti soluzioni:

- a) - celere defluenza dal campo di Trani ed avviamento a destinazione dei militari in sosta;
- b) - in linea subordinata: ampliamento della capacità del campo; soluzione possibile, per quanto resa difficile dalle condizioni topografico-ambientali della zona.

Per il caso venga adottata la soluzione b) occorre che preventivamente siano assegnati i materiali letterari e di servizio generale occorrenti in maniera da poter far fronte subito alle necessità.

2°) - viene comunicato inoltre che in occasione del recente ampliamento della capacità del campo (da 2800 a 4000 posti) *SA* molto ritardo e cioè quando il numero di 4000 presenti al campo fu oltrepassato fu possibile ottenere, dall'ufficiale di collegamento di codesta missione a Bari, soltanto una coperta per uomo, assolutamente insufficiente per riparare dai rigori invernali il personale accampato.

Poiché la quasi totalità degli affluiti in quel campo provengono dalla Balcania e sono uomini provati dai disagi, privazioni e fatiche, questo S.M. ritiene necessario che a ciascun militare siano distribuite almeno due coperte e perciò chiede il cortese interessamento di codesta Missione per la sollecita risoluzione della questione.
