1. The camp at Manziara is temporary and does not require an approved AFHQ WE
2. Transport should be provided from resources already at the disposal of AFHQ WE. There should be adequate as, in addition to the one unit of M.T., the AFHQ has at present the use of No. 1, 8, 9, and when that force will have the use of No. 2, (at least if that part of it which is not being used for training) 5705

the scale should be?

W(85) 28 Feb

1. The camp 5 Mangiana is Temporary and does not require

an approval AFHQ WE

2. Transport should be provided from resources already at the disposal of AFHQ WE. There should be adequate so, in addition to

its own stock of M.T., the AFHQ has it present the use of No. 1, 6T
big, and when that goes will have the use of No. 2, (at least
of that kind of it which is not being used for training) 5700

3. A WE for a full regiment (to allow for difference
between 7000 and 11,000) is being prepared by BIV AFHQ WE.

I suggest the proposal is awarded before action with regard to
further WE's is taken.
