1. Inviting attention to basic letter, recent telephone conversation, Lt Col Ingledew - Major Long, also refers to this matter.

2. In compliance with your paragraph two of signal SD 2542, I am not calling up further personnel when total figure reaches 17,000. However I have given orders that the various call-up centers will remain ready to function, awaiting further orders from your headquarters. It is expected that total of 17,000 recalls will be obtained by 30 April 45.

Ref. No 4008/02

P.M. 72, 25 April, 1945.

Subject: Callup/

To: M.M.I.A., L.O. Sicily.

1. Following verbal arrangements.
2. With the Call-up operations now taking place a total of about 17,000 Call-ups have already been sent on to Reggio Calabria. We have reason to believe that the total of 17,000 Men, as fixed by M.M.I.A., will be surpassed in the next few days for the following reasons:
 - a) enquiries are still being carried out through the various Comune Registration Offices and C.C.R.R. to trace the many Call-up who, at the time of the Census, have given a wrong address or changed their address during the period of time between the Census and the Call-up;
 - b) operations are still being carried out in certain provinces to bring in objectors to the Census and the Call-up;
 - c) there are many who, having been found ill at the time of the Call-up, are now being inspected by the Hospitals;
 - d) there are also many Call-ups who, having obtained Convalescent or Renewable Leave, or temporarily exempted for various reasons, now have to follow the Call-up because the causes for the issuing of their Leaves or Exemptions have now ceased to exist.
3. Please would you kindly inform us if the Call-up Operations are to continue or not once the total of 17,000 Call-ups has been reached.
4. This H.Q. is of the opinion that the Call-up Operations continue because, otherwise, the very persons who have done everything possible in order not to report for the Call-up would be dispensed from reporting.

We would like you to approach M.M.I.A. Rome on this matter.
5. We await any further decisions your Office might care to take.

by order,

Sgd R. Griglio, Col, Chief of Staff.

% U.S. NOB PALERMO

No.1032

26 April 1945.

SUBJECT: Discontinuance of Call-up in Sicily
TO : C.G., Territorial Hq. Palermo, Sicily

1. Reference your 4008/02 dated 25 April 45 and confirming our personal conversation on the matter.
2. Headquarters MMIA has ordered that when the total recalls in Sicily reach 17000, that no more will be called until further notified by that headquarters. I estimate that the total desired will be reached by, if not before, 30 April 45. It is therefore directed that you inform your various district Call-up centers to cease active operation at the close of business 30 April 45. However, it is necessary that the district centers remain in operational order until such time as a final decision is rendered by MMIA as to whether or not the recall is definitely ended or if additional personnel should be recalled and shipped to the mainland. I agree with your suggestion that recalls reporting subsequent to 30 April 45 should be made of record, but returned to their home to await further disposition in the event they are needed.
3. Your recommendations in the above referred to letter and in your 3463/01 subject Volunteers dated 24 April 45, are being forwarded to Headquarters MMIA for consideration.

GOC / Casata recently spoke. In view of excellent results of call-ups elsewhere Casata expressed hope that it might NOT be necessary to proceed as all with phase III - (older men who would be the first to be demobilized). GOC agreed in principle, subject review later. ©
