5th November 1945.

Extract from the Minutes of SACMED's Conference
8th Meeting, held at A.F.H.Q. on 24th October 45.

MINUTE No. 2.

"2. ITALIAN ARMED FORCES

(Previous reference SAC (45) 7th Meeting, Minute 2.)

MAJOR GENERAL LEMNITZER reported that 22 Guard battalions had now been handed over to Italian control leaving only five remaining under Allied command. The turnover of the San Marco Regiment had, however, been held up by difficulty in accommodating the troops destined to relieve it.

BRIGADIER YATES estimated that all 27 Italian Guard battalions and the San Marco Regiment should be released to Italian control by early November.

THE SUPREME ALLIED COMMANDER:

'Took note of the above.'

(MILIA) ROME

1. The following report is based on inspection of 502 Gd Bn.
2. There is a general criticism of the reversion from the WE of a BR-ITI Gd Bn to that of an ITI-ITI Bn. The Bn is far more of an autonomous unit than a Bn operating in war conditions as a fighting unit in a brigade. Its role will be a static one and administration will play a large part. To deal with the administration problems of pay, documentation, food, etc. the Bn had, as a BR-ITI unit, a Bn HQ of 6 officers and 26 ORs and an HQ Coy of 2 officers and 74 ORs. As an ITI-ITI unit, the WE has a Bn HQ of 5 officers only and a Pln HQ of 15 ORs. This, state 502 Gd Bn, is very inadequate. The adm. work to be dealt with remains the same.
3. Motor cycles were omitted from their copy of the ITI-ITI WE. It is assumed that this was a mistake. ST/SENDA.
4. There are three British Sats. on the strength of the Gd Bn, two of whom are on leave. Are they likely to remain much longer with the unit, now that it is ITI-ITI?
5. Of 7 load carriers now held, 6 are WD vehs. For their repairs, I intend to ask 2 District to attach them to a Combat Group W/shop.
6. 502 Gd Bn is in possession of Khaki BD, which it drew as a BR-ITI unit. Now as an ITI-ITI unit, it will no longer be entitled to it. Rfts and replacements will appear in Green BD or Italian Army uniforms and will disturb the present uniformity of dress.

5. Of 7 load carriers now held, 6 are "D" teams. For their re-pairs, I intend to ask 2 District to attach them to a Combat Group shop.

6. 502 Gd Bn is in possession of Khaki BD, which it drew as a BR-ITI unit. Now as an ITI-ITI unit, it will no longer be entitled to it. Rfts and replacements will appear in Green BD or Italian Army uniforms and will disturb the present uniformity of dress.

7. The Ba is well up to strength.

8. I have visited the 3de HQ at present located in B. 653a with the soon-to-arrive 527 Gd Bn. It is up to strength and has its 4 vehs. There was the usual complaint of the poor, unreliable quality of their transport.

9. It would appear that the chief function of the Bde HQ will be disciplinary and co-ordination of training. In view of this, the HQ of 100 would appear to be excessive and the admin. staff of 110 dependent } Bde could be strengthened profitably at its expense.

TO : MINISTRY OF WAR

Reference para II of minutes of meeting held in SWE offices, 1 Oct and issued under ref. G/3/2 of 5 Oct 45.

1. We have received your recommendations for alterations to WEs of Italian Divs (Combat Gps) which include the WEs of Inf. Regts. These will be considered as soon as the Allied views have been received.

2. In the meantime it would seem appropriate at this stage that we should consider a system of "affiliating" certain I.S. Regts to Italian Divs with a view to :-

(a) interchangeability

(b) ease of territorial intake so that :

(i) friends from the same neighborhood may serve in the same units.

(ii) certain types of the populace may be posted to the most suitable territory.

MFA letters A.O.16 and A.O.12 of 10 Oct refer.

3. It is felt that the present I.S. Divs in SARDINIA and SICILY should be converted onto I.S. Regt WEs at a later date thereby forming two and four I.S. Regts respectively.

We could discuss the question of a small co-ordinating HQ for SARDINIA (presumably the Garrison HQ there detached from the Rome Terr. HQ) and two small co-ordinating HQs for SICILY under the op. Comd of the Terr. HQ PALERMO.

The advantages of the conversion on the I.S. Regt WE would be:

(a) standardization throughout Italy

The advantages of the conversion on the I.S. Regt HQ would be:

- (a) standardization throughout Italy
- (b) an increase in weapons
- (c) morale. The troops would feel lifted out of the rut of Gd duties onto a higher plane.

658*

If, for political reasons you do not feel this is practical at present, will you, please, say if you agree to the conversion at a later date.

4. It would be appreciated if you would forward your comments on paras 2 and 3 above as soon as possible.

 Date : Sept. 23, 1945

I. As is known: 10 infantry brigades with a strength of 2500 men each are contemplated in the Army of the Transition. Each military territorial command with the exception of Palermo will have one brigade.

II. In regard to the proposal, which has already been received by MMIA, for maintaining the Alpine specialties in the Italian Army, I request that the Turin, Bolzano, and Udine Mil. Terr. Commands' brigades, which are being formed, be formed by Alpini, with the ~~NE~~ laid down remaining unchanged.

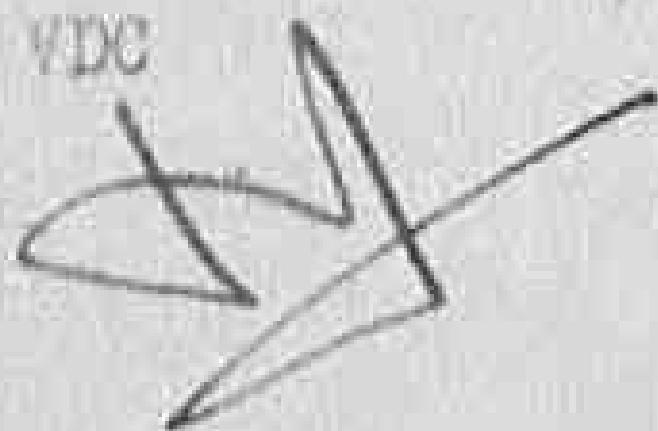

At first these three brigades would be formed with the same personnel of the present guard bns. Later on, the Alpini drawn by regional recruiting would be assigned to them.

 Subject : Re-formation of 508th Guard Bn.

Ref. : 17220/Ord./1.
 Date : Sept. 22, 1945

The Florence Military Terr. Command, which has been intrusted with the re-formation of the 508th Guard Bn., and which has kept in mind the fact that said Bn. is made up of the remainder of the bad elements who were taken from the 509th Bn, has proposed the following:

cadre due to move to Bologna week 1-7 Oct

- disbandment of the 508th Bn and employment of the personnel as replacements;
- re-formation of the 508th Bn., drawing the elements from I and II Bn. of the 406th Pioneer Regiment which is being disbanded.

600 more week 8-14 Oct

In this manner, the new 508th Bn. would be formed with trustworthy and disciplined elements.

We would like to know the decisions that you will take in regard to this matter.
