Ministry of War,
Direzione Generale di Sanita Militare (2 copies)

1. Below is an extract of the strength state of the medical services employed in the Territorial hospitals etc., as at 9th January 1945.
Strength figures were obtained from Order of Battle submitted by Ministry of War. Attention is drawn to the deficiency of 834 all ranks in Florence area and 357 surplus in Bari.

2. Please arrange to transfer personnel from Bari to Florence area to adjust this inequality. Until reinforcements are available, formations in the area of Bari will require to work below W.E. strength.

3. Applications should be made to MMIA through staff channels for movement of personnel as decided by Ministry of War.
