ROME

Your letter AQ/15/1 of 8 Aug to HQ 42 Gp Par corps informing them that the War Ministry had released equipment as detailed in the letter concerned gave no indication as to where the stores could be collected apart from saying that "material is all available at corresponding Army Directorates."

3 District tried to obtain locus from Naples sector office but got no satisfaction and except for a few of the items listed, neither was Military HQ Campania able to help.

Would you please send me the locus of all the depots etc where the stores listed in the afove letter may be collected. It would be appreciated if you would incl this info in all future releases.
