Strength State of 8 Aug 45.

1. Instructions have been issued for the formation of 27, 29, 30
Engineer Coys only, and further Engineer Coys will not now be formed. The
provisions of the above mentioned letter are therefore cancelled and the
formation of the remainder of the Engr Coys will be discontinued.
2. In most cases this instruction will not involve movement of
personnel as the Coys have not existed as separate entities and personnel
may therefore be reabsorbed into parent units.
3. Please confirm action taken in respect of these Coys.

The above unit is at present doing a small labour job which will have been accomplished very shortly. There will then be no work for it.

The coy has no tradesmen and is of poor quality generally and the employing BR unit (697 AF Coy RE) are not keen on retaining its services. Unless, therefore, CE has some other job for it elsewhere, its early disbandment is desirable;

ITALIAN UNITSINFORMATION

1. There are at present in this District six Italian Engz Coys, six Italian Art Wks Coys (ex Co-operator) and two Italian E.M. Pls (ex Co-operator). Owing to non availability of ffts of suitable tradesmen and to the impossibility of supervising this number of units adequately none of them can be considered efficient. There is further a dearth of trained Italian Engz officers which renders abortive any attempt to make these units efficient.

2. The morale of the Italian units, particularly the ex Co-operator units who have lost many privileges since their change of status, is very low and their discipline requires improvement.

INTENTION

It is proposed to reduce the total number of Italian Engz units in this District to four Coys on the WE of an Italian Art Wks Coy - CE/1500/1 - and to retain the two E.M. Pls. These units will be composed of personnel and eqpt selected from the twelve units at present in the District and will be up to strength and efficient.

METHOD

1. Authority will be granted by AFHQ for the disbandment of the six Italian Engz Coys at present in 3 District.

2. Of the six Art Wks Coys at present under command, the following will be brought up to strength both in personnel and eqpt by cross-postings from the remaining Italian units under command:-

772 Italian Art Wks Coy	-	NAPLES
773 "	-	NAPLES
774 "	-	TALANTO
881 "	-	PARI

These units will be re-organised and stationed in the locations shown against them. The remaining 2 Italian Art Wks Coys (ex Co-operator) now under command will be held in suspended animation. It may be necessary to implement them when 3 Dist takes over more territory to the north of its present boundary.

3. In addition to the above re-organisation, 85 and 86 Italian E.M. Pls will be brought up to strength in tradesmen of the correct types.

4. The re-organisation will be under the direction of Lt Col BLANCO, Italian Liaison Officer to CE 3 District, who will be responsible for arranging cross-postings of personnel and for disposal of surpluses. Re-allocation of transport and eqpt, and handing in of that no longer required, will also be arranged by Lt Col BLANCO with the co-operation of SO III this HQ.

5. Particular attention will be paid by Lt Col BLANCO to the selection of suitable officers who can be relied upon to ensure that their units are efficient both from the administration and Works angles.

6. British cadres at present with Italian Art Wks Coys will remain until completion of this conversion, and will give every assistance in their power to Col BLANCO. 1. Some time ago 25 Italian ~~co-operators~~ (Shoemakers) were attached to R.S.D. Boot Repair Shops. These men were accommodated in barracks situated in Piazza Cavour.
2. At the time when these men were first posted this Depot experienced great difficulty in obtaining skilled labour, but this shortage no longer exists.
3. Only two or three of the original party have been working during the past few weeks, and as the billets are required by an Italian Engineering Coy. it is suggested that these remaining shoemakers be posted elsewhere.

OGGETTO : Scarpe per la 19^a Compagnia Genieri.-

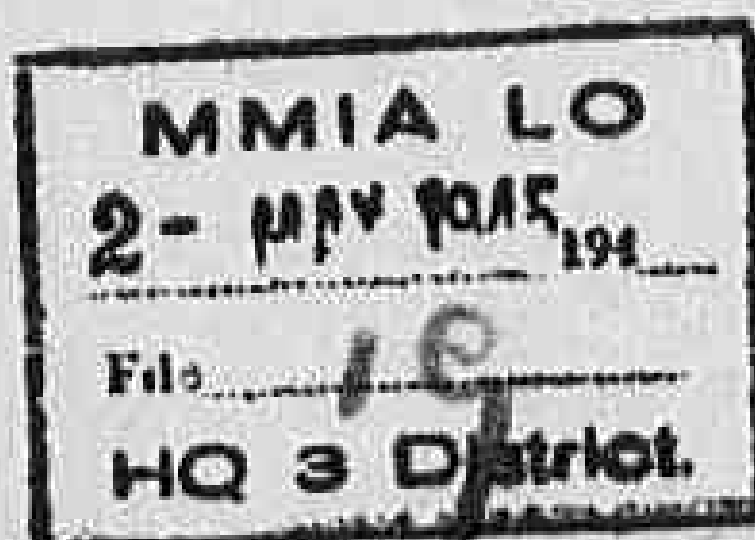

ALL'UFFICIO COLLEGAMENTO M.M.I.A. 3° DISTRETTO = NAPOLI

Riferimento foglio 3 DLO/19 del 20 corrente.-

Da accertamenti effettuati presso la 19^a Compagnia Genieri è risultato che, all'atto della visita del Colonnello Chief Engineer ll C.R.E. vi erano presso il reparto alcune paia di scarpe non costituenti vera e propria scorta, ma ivi giacenti perchè da poco prelevate, ed occorrenti per la sostituzione con altre fuori uso in dotazione ai militari; tale sostituzione era infatti in corso al momento della visita sopra menzionata.

La richiesta del reparto, restituita da codesto ufficio col foglio a riferimento, era stata poi inoltrata per esplicito invito dell'ufficiale alleato C.E. ll C.R.E., che ebbe fra l'altro a rilevare con disappunto come i militari avessero in distribuzione un solo paio di scarpe.

Per quanto sopra, non si ritiene del caso l'adottare alcun provvedimento a carico del comandante di reparto.-
