Al L.O. = LAND FORCES SUB COMMISSION

Riferimento foglio n. 3ELO/27 in data 6.11.1945

- 1^o- Nulla può riferire questo Comando circa la richiesta n° B/I.1351 in data 19.8.1945 inoltrata dalla 3^a Compagnia C.T. alla 209^a Divisione. Per quanto riguarda la richiesta n° B/I.1450 in data 5 settembre pervenuta a questo Comando tramite il Comando II/405, essa è stata evasa per gli oggetti disponibili (scarpe) in data 11 settembre.
- 2^o- In data 27 settembre questo Comando ha telegrafato al 507^o Battaglione Guardie, perchè entro il 30 di quel mese il Battaglione ed i Reparti alle sue dipendenze disciplinari ed amministrative - tra i quali la 3^a Compagnia T.C. - provvedessero a prelevare presso il Magazzino Vestiario di questa Divisione gli effetti di vestiario invernali. Detto ordine telegrafico è stato successivamente confermato con circolare di questo Comando in data 29 settembre.
- 3^o- Mentre in data 4 ottobre il 507^o Battaglione Guardie ha prelevato gli oggetti di vestiario invernali, la 3^a Compagnia T.C. non ha provveduto analogamente, benchè in data 8 ottobre fosse pervenuta a questo Comando una richiesta di quel Reparto tramite il 507^o Battaglione. Sono in corso accertamenti per stabilire se l'inconveniente è dovuto a mancata diramazione dell'ordine da parte del 507^o Battaglione od a trascuratezza del Comando della 3^a Compagnia.
- 4^o- In data 2 novembre la 3^a Compagnia ha telegrafato a questo Comando chiedendo se fosse disponibile il vestiario richiesto. Alla stessa data questo Comando ha risposto ordinando di provvedere immediatamente al prelevamento; il che è avvenuto in data odierna per tutti gli oggetti richiesti ad eccezione delle camicie, delle calze, e dei guanti, per i quali non vi è disponibilità.

The observations made by O.C. 65 Coy CMP(TC) are strongly endorsed by me. The present clothing on charge to No. 3 Italian Traffic Control Coy is extremely shabby and threadbare. The issue of a higher grade clothing to this unit is imperative if sickness is to be avoided during the coming months. It is stressed that many of these men will be performing T.C duties on mountain roads in extremely bad weather and the provision of warm clothing is essential.

Moreover, it is felt that the provision of a higher-grade clothing will do much to enhance the prestige of the Italian T.C personnel and give them added authority.

May this matter please be taken up by you with the appropriate authority and application made for the issue of this clothing to be treated as urgent.

Reference your letter of the 10 Oct 45 to M.M.I.A. LO.

I have under command No. 3 Italian Traffic Control Company, and at the time of writing, the clothing position in this Company is extremely critical.

Under normal circumstances this Company is under the administration of 230 Division, FLORENCE, but the Italian Company Commander has repeatedly submitted indents for clothing to this Division with no results whatever.

I am therefore forwarding the attached indents for clothing required to you, in the hope that you may be able to authorise 227 Division to make these issues, as that Division would appear to have stocks available.

I should like to point out once more, that the No.3 Italian T C Company is employed at all times on Traffic Control Duties, two detachments in particular at FABRIANO and FOLIGNO, living under particularly hard conditions, and it is essential that this clothing should be issued.

Your assistance in this matter would be greatly appreciated.

It is regretted that it is impossible to change the policy of only issuing low grade clothing to Italian Units (apart from Combat Units.)

However, it is suggested that when 227 Div submits its bi-monthly indent (Stock State), special reference should be made to the quantity of clothing required in specially good condition for Pro-personnel.

1. A request has been made by 227 DIV, which is strongly supported by DPM 3 DISTRICT, that the BR-ITI Units performing Police and Traffic Control Duties should be given new outer clothing in lieu of their present low grade stock.
2. The object is to raise and maintain the prestige and authority of these troops in the eyes of British and Italian military personnel and others with whom they have to deal.
3. 227 DIV assure me, and I can confirm from what I have seen, that the clothing now coming into their depot does NOT meet this requirement.
4. I request that a special arrangement be made to supply these units with new or at any rate specially selected high grade outer clothing.
5. The items of the scale to which this provision should apply are :-
 - Blouses BD
 - Trousers ED
 - Cap, field
 - Overcoat
 - Belts, webb, waist
 - Anklets
 - Boots
6. The requirement for initial issue and wastage is shown at Appendix A.

Reference your PRQ/61/4 dated 15 June and attached correspondence.

1. It is noted that Q(AE) AFHQ under their letter AFHQ/9187/Q(AE) dated 10 June, state that no special authority is necessary for units to draw stores from British sources.

2. As this statement conflicted with definite instructions that had previously been given this Directorate, the undersigned visited AFHQ on the 20th June and placed the facts before DOS.

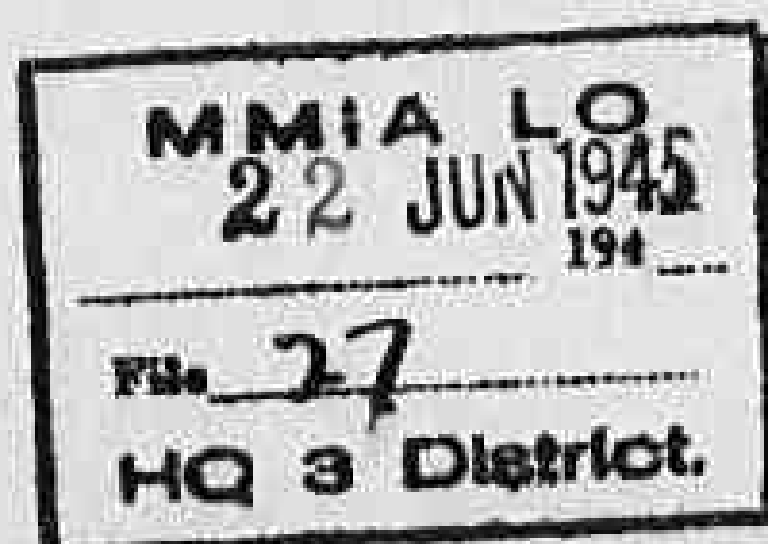

Further consultation between DOS representative (Major HENWISTLE) and Q(AE), confirms that the AFHQ letter referred to above is out of order, and the following drill will be applied.

3. Demands which have not been met by MMIA will be submitted to Q of District, who will forward them to Q(AE) AFHQ. That office will give the authority for the items to be either -

(a) drawn from British Ord Depots

or (b) a bulk transference of stocks to the Italian War Ministry.

4. It is hoped that this letter clarifies the position, and you can be assured that Ord 3 Dist will do all possible to assist in the satisfactory equipping of all Units.

1. It is desired to equip Italian TC Units with Caps SD Staff and Covers Cap, White, TC Wing in order to improve their appearance and provide protection from the sun.
2. These personnel are now performing full scale duties on a par with their Brit equivalents, and it is considered that in addition to the above reasons, the provision of Staff Caps with white covers would, by making them more conspicuous on duty, increase their efficiency still more.
3. The caps would require to be dyed green, and in view of this a low grade article would suffice.
4. The requirement would be as follows for units under and this HQ :-

(qlys based on four units each with a strength of 109 OR)

Caps SD Staff - 1 per OR	436
Covers, Cap, White, TC wing, single -	
3 per OR	1308
