1. The w/m material, held at Base Salvage Depot, Torre Annunziata is available for disposal.
2. Will you please instruct your representatives to inspect it and submit your requirements to this office when a Release Note will be issued.
3. The material will only be handed over to your authorized representative on presentation of the Release Note.
4. All material selected by you will be removed before the clearance date given on the Release Note. The normal time allowed for collection being 21 days for releases to M.M.I.A. and 28 days for releases to A.C.
5. It is requested that demands or refusals by MMIA be made as early as possible and not later than 14 days from this date and those by AC within 21 days. If no acceptance or refusals is received by this office within these periods the materials may then be sold by competitive tender on the open market.
6. Advice of all MMIA acceptances and refusals will be sent by this office to AC.
