Riferimento n° SD/289 del 1° corrente.

1°) - È di vitale importanza che il Comando 407° Reggimento Pionieri non venga sciolto (al- l'occorrenza può cambiare il suo nominativo, come per gli altri, in Comando 407° Gruppi BA-ITI) perchè esso è indispensabile per l'in- quadramento dei reparti di cui all'allegato (circa 25 per oltre 3000 uomini) che altrimen- ti rimarrebbero abbandonati a se stessi. =
È questo Comando avrebbe possibilità di prov- vedere altrimenti. =

2°) - È opportuno che i reparti pionieri prima di partire diano agli altri reparti della zona i complementi che ad essi occorrono. =
Ciò allo scopo di far più presto ed evitare doppi movimenti. =
Resta fermo il concetto che i pionieri muoveran- no alla data che sarà fissata e che il loro solo- glimento avrà luogo soltanto presso i Campi Af- fluenza. =

3°) - Si prega conferma a quanto sopra detto. =

OBJECT.

To make arrangements for the reception of German Labour Units and the move of Italian Labour Units to be replaced by German. Details of German Units were available and are contained in attd schedule.

ACCN.

(e) It was agreed that accn is available to staging scale for German Units. Work required to complete security wiring and camps for guards and accn staffs will be completed as follows:

CANCELLO	PORTICI
7 Aug 45	7 Aug 45
	PICCIOLLA
	1 Aug 45

(b) Alternative bivouac sites, suitable to hold Italian Units for 3/4 days but not longer are available adjacent to present sites.

HANDOVER.

As Italian units can be held for a few days work need not stop. It is advisable that German Units should start work on a Sunday when work is at reduced pressure.

GUARDS AVAILABILITY.

The date on which the Polish En who will eventually provide gds in 56 Area will be available is not yet firm. Action to provide necessary additional gds from other sources will be taken, arrival with or preceding German Units. It was agreed that to allow for administrative personnel total figures for gds given in attd schedule should be increased by 20%.

4. HANDOVER. As Italian units can be held for a few days work need not stop. It is advisable that German Units should start work on a Sunday when work is at reduced pressure.

5. GUARDS AVAILABILITY. The date on which the Polish Bn who will eventually provide gds in 56 Area will be available is not yet firm. Action to provide necessary additional gds from other sources will be taken, arrival with or preceding German Units. It was agreed that to allow for administrative personnel total figures for gds given in attached schedule should be increased by 20%.

6. MOVEMENT. (a) German Units. MOV stated that it is unlikely that more than one train load approximating to two coys will arrive at any one site on one day. This suits handover and must be adhered to. Earliest date on which units can be accepted is as given in para 3 above.

- (b) Italian Units. Units at CANCELLLO will move to RAVISCHONNA. Lift to be provided in 56 Area.

Units at PORCICI and PICCIOLLO will move to CESSANO. Movement authy and POH action by AMHQ is required.

- (c) It was considered essential that Italian Units should move as above and as formed units within 3/4 days of arrival German Units. No degree of dis-barrament can take place at present locations.

AGENDA FOR CONFERENCE AT HQ 3 DISTRICT
1000 hrs 24 JULY 1945

1. Reception German Labour Units. Details in schedule attached.
 - (a) When will we work at camps be complete?
 - (b) Is men available to scale for units guards and admin staff?
 - (c) On what date will guards be available for camps and working parties.
2. Plan for calling forward German units.
 - (a) Can work stop for one day, say Sunday?
 - (b) Should arrival be staggered for units for one camp? This would probably help MOV but mix Italian/German at one camp.
3. Move Italian Units.
 - (a) RAVISCIANITA proposed as disbandment centre or as temporary camp prior to move to disbandment centre.
 - (b) Can any balance not moved on arrival day of German units be held in adjacent bivouac site?
4. Decision on earliest date German units can be accepted
