Ref your AG.091.711/241 GCP.9 of 8 Dec and conversation WATSON - GRAMER this date.

1. The present str of the Italian Forestry Coy is as follows:-

WS BA/522/1 str is :-

Surplus over WS :-

Offrs	ORs	Total
7	205	212
6	132	138
1	23	24

To this add further Italian Army personnel who have been granted temporary leave of absence to enable them to continue employment in the aemills.

56 56

Total surplus above one coy str.

1 79 80

2. It is essential that these men be retained and most desirable that their position should be regularised.

3. It is therefore suggested that a second forestry coy on the same WS should be formed but to be implemented to the extent of two secs only. It is considered unnecessary to implement a second coy HQ; the two additional sections can conveniently be administered by 101 Coy HQ.

RELAZIONE SULLA VISITA ALLA 231 DIVISIONE

In assenza del Generale Comandante ho parlato col Cap. ~~XXXXXX~~
Aiutante Maggiore, da cui ho appreso :

16
Uno scaglione del Comando 231 Divis. è già partito con
destinazione Comando 210 Div. in Firenze per Ordine Comilit Campania.

Un secondo scaglione parte il 29 Nov con autocarro Comilit
Campania (13 ALL RANKS compreso Generale Comandante)

Il rimanente personale (Circa 100 uomini - essendo il Coman-
do costituito da 101 ORs e 32 OFFRs) ha ricevuto ordine dal Comilit
Campania di Caricare alla Stazione di Salerno alle ore 9.00 del
30 Nov 44 . Per effettuare il caricamento dei bagagli e personale
la 227 Div ha messo a disposizione un autocarro.

L'autocarro in partenza il 29 caricherà il materiale della
mensa ed alcuni bagagli personali, mentre il rimanente verrà avviato
per ferrovia.

Il Comando di Divisione ha a disposizione 2 vecchi autocarri
Italiani , 1 FIAT 1100 Militare e 2 Motociclette Italiane.

Si richiederebbe il Carburante per ~~XXXXXXXXXXXX~~
Questi automezzi almeno sino a Napoli, e l'olio da ricambio per la
1100 (necessita esser cambiato prima del viaggio)

Il 28 Nov, il Col ~~XXXXXX~~, comandante del Deposito di Salerno,
in seguito a richiesta del Comilit Campania aveva inviato a Napoli
un autocarro ed i buoni di prelevamento vestiario.

Non sapendo ancora se le richieste sarebbero state evase, ho
informato Capitano e Colonnello della procedura da seguire ed ho
avvisato la 227 Div di rilasciare il vestiario occorrente dietro
regolari richieste da esser vistate da Voi in seguito.

Ho detto quindi di rivolgerà la mattina del 29 alla 227 DIV
nel caso che il vestiario non fosse stato ottenuto da Napoli e che
Voi sareste andato personalmente al Comando

NOTA RISERVATA : Credo mi abbiano preso per il SOSTITUTO

Troops Serving with Reggio Town Major

The CALABRIA Military Command has notified us that the Reggio Town Major has requested to be placed at his disposal:

1 officer,
20 ORs
1 car,
1 Medical Orderly with kit.

The request for the above was made to this Command and granted for PAD duties.

Taking into consideration the actual serious situation in which CALABRIA Command finds itself to overcome their own difficulties and also to fulfill the Public order duties which have become even more serious with the departure of MANTOVA Group.

We therefore beg M.M.I.A. to kindly examine the possibility to revoke the a/m service.

1. This HQ has been informed by 227 Italian Div, which is under my operational command, that they have received orders from SIME to disband the following HQ units:-

(a) 516 Regt HQ

(b) 10 Smoke Bn HQ

516 Regt HQ

2. Previous to this HQ passing to your direct comd I had already advised MMIA direct that it was necessary for the efficiency of my District to retain the services of 516 Regt HQ.

3. 516 Regt HQ is commanded by Colonel HERTOLA, an Italian Officer of capacity and energy, and is actively employed at AFRAGOLA in running the Italian Army Labour Reorganization Centre. This centre was approved by AAI. It is essential to the efficiency of the District in that it deals with the intake from SARDINIA and elsewhere of Italian tps, sorts them out, equips them, and organizes them into labour regts for employment under British comd. It is at present dealing with 407 Regt (for this District) and 417 Regt (for employment forward), and will probably have to organize a further regt shortly.

4. Further, when I take over comd of the present territory of 2 District, I shall require all the more the services of this HQ in view of the added Italian military labour commitments.

5. Not only, therefore, do I consider the retention of such a regt HQ essential, but also I particularly wish to retain the services of Colonel HERTOLA and 516 Regt HQ which has now had much experience of this specialised work and carried out its duties efficiently.

10 Smoke Bn HQ

4928

516 Regt HQ

2. Previous to this HQ passing to your direct comd I had already advised MMIA direct that it was necessary for the efficiency of my District to retain the services of 516 Regt HQ.

3. 516 Regt HQ is commanded by Colonel BERTOLA, an Italian Officer of capacity and energy, and is actively employed at AFRAGOLA in running the Italian Army Labour Reorganization Centre. This centre was approved by AAI. It is essential to the efficiency of the District in that it deals with the intake from SARDINIA and elsewhere of Italian tps, sorts them out, equips them, and organizes them into labour regts for employment under British comd. It is at present dealing with 407 Regt (for this District) and 417 Regt (for employment forward), and will probably have to organize a further regt shortly.

10 Smoke Bn HQ

6. 10 Smoke Bn HQ was specially formed to administer the Italian Smoke Coys employed under 22 AA Bde in the defence of NAPLES and vicinity. Although the original five companies are being reduced to three in number I consider it essential for both operational and adm efficiency that the Smoke Bn HQ is retained in its present form. This view is strongly endorsed by Commander, 22 AA Bde who states that your CWS branch concur.

7. In view of the above stated facts I have ordered 227 Italian Div not to proceed with the disbandment of these units until I have referred the matter to you, and received your decision.

2. This in turn interferes with the demobilisation of the '12 - '13 classes.

2. This Staff fulfills a present want but having regard to

it is considered it would be uneconomical and undesirable for them to accompany 6 Base Sub Area forward.

3. 6 Base Sub Area consider, however, that a similar liaison staff will be required very soon after arrival at any future location.
