Reference conversation THOMAS - CROCKER.

1. LO MMIA 3 District informs me that 80% of the personnel under control of the Comd di Presidio belong to the STC ICF.
2. In view of this, it is not considered unreasonable that the OC STC ICF should assume responsibility as Comd. di Presidio.
3. Application to transfer this appointment from OC STC ICF has therefore been withdrawn by this office.

Ref the attached letter 4061 X122 dated
13 Feb 45.

OSO 3 District is extremely anxious that such an obvious case of "flogging" of clothing should not go unpunished. Great trouble was taken here to despatch this section fully equipped and adequately rationed.

It is therefore suggested, once HQ 209 Div is in full possession of facts, that those officers or NCOs responsible by their neglect for the loss of clothing and, presumably, rations should be tried and if found guilty, obliged to pay for losses.

A great deal of this "flogging" is evident in rear areas and it is considered that the best method of stopping it is through really energetic action by the Italian HQs concerned.

This section is due to proceed to 8th Army area and for that reason they were issued with 4 blankets per man.

1. Ref THRUFF'S 3 DIO/18 of 4 Oct 44 (copy herewith) enclosing copy of CSO 3 Dist letter 4061X305 of 22 Sep 44. It is regretted that at present it is not possible to provide Instructors from Italian resources.
