FX 43563 dated 14 para 3.

1. The following report has been received on the arrangements made by AFHQ with PBS for the movement of recruits called up in CAMPOBASSO in accordance with requests made by this HQ. - see MMIA letter SD/44 dated 19 Jan.

2. (a) The first lift of recruits by PBS from CAMPOBASSO to ASTRONI was arranged for 15 Feb. The vehicles requested arrived on 19 Feb and transported 522 recruits. 88

(b) The second lift was requested for 22 Feb. The vehicles did not arrive. The Italian District HQ borrowed vehicles from BARI and other sources as all available accommodation was full and recruits still reporting. This draft of recruits was despatched to ASTRONI in the morning of 26 Feb and there remained 176 recruits at CAMPOBASSO. PBS vehicles arrived at 1200 hrs on 26 Feb. They were loaded with the 176 recruits.

(c) On the 1st. March PBS vehicles arrived unexpectedly. They were loaded with 268 recruits. They had been expected at a later date.

(d) Consequently no PBS vehicles arrived at CAMPOBASSO on 5 March. Italian HQ, again swamped with recruits made emergency arrangements to clear as many as possible to ASTRONI. Having made several efforts to warn PBS by telephone the local Italian HQ finally succeeded in making connection but PBS vehicles were already on their way. On arrival at CAMPOBASSO they were loaded with 108 recruits.

3. In all, PBS vehicles transported a total of 1074 recruits, 2188 had to be transported by the Italian authorities.

4. The telephone circuit to CAMPOBASSO is civilian and spasmodic. Unsuccessful efforts were made by this HQ to obtain a military link up in order to facilitate the movement arrangements.

CAMPORASSO in accordance with requests made by this HQ. - see MMIA letter SD/44 dated 19 Jan.
