2. After extensive enquiries it is apparent that no manual or document giving military terms and abbreviations is available in Albania. It will be appreciated that owing to the backward and illiterate state of the average Albanian soldier very few of such documents existed before the war. Those which remained after the German withdrawal are in use by the Albanian National Army.

3. It is suggested, however, that a suitable selection of manuals etc might be obtained from the ex-Chief of the Albanian Gendarmerie, General Sir Jocelyn Percy, who may be contacted at his business address:

*Intervista fatta in agosto - 1944 - Roma*

Una fra le più recenti ingiustizie verso di noi soldati è quella dell'indennità caro-vita, la quale viene corrisposta agli ufficiali, ai sottufficiali ed ai graduati e militari di truppa con ferme e refferme.

Perché tale indennità non viene corrisposta agli altri militari? Forse per questi la vita è meno cara?

Si dice che il soldato ha da mangiare..... da bere..... e perciò il costo della vita non si ripercuote su di esso; forse l'ufficiale non percepisce i generi in natura? Forse il sottufficiale non convive a mensa?

Ma poi quello che è bello è che la suddetta indennità viene corrisposta ai graduati e militari di truppa con 248/10 refferme. Ci si potrebbe dire che differenza passa fra questi ultimi militari e quelli richiamati o trattenuti d'autorità?

Si dice pure che l'indennità caro-vita non viene corrisposta al soldato perché non è equiparato alla classe impiegatizia.

Se l'ufficiale è equiparato alla categoria impiegati "gruppi A e B", se il sottufficiale fa parte del "gruppo C", il soldato lo si potrà per lo meno includere con gli altri impiegati subalterni ed operai, ai quali viene corrisposta la suddetta indennità.

Se poi il soldato non si considera equiparato al più modesto

Una fra le più recenti ingiustizie verose di noi soldati è quella dell'indennità caro-vite, la quale viene corrisposta agli ufficiali, ai sottufficiali ed ai graduati e militari di truppa con ferma o rafferma.

Perché tale indennità non viene corrisposta agli altri militari? Forse per questi la vita è meno cara?

Si dice che il soldato ha da mangiare..... da bere..... e perciò il costo della vita non si ripercuote su di esso; forse l'ufficiale non percepisce i generi in natura? Forse il sottufficiale non convive a mensa?

Ma poi quello che è bello è che la suddetta indennità viene corrisposta ai graduati e militari di truppa con 208/10 rafferma. Ci si potrebbe dire che differenza passa fra questi ultimi militari e quelli richiamanti o trattenuti d'autorità?

Si dice pure che l'indennità caro(vita non viene corrisposta al soldato perché non è equiparato alla classe impiegatizia.

Se l'ufficiale è equiparato alla categoria impiegati "gruppi A e B", se il sottufficiale fa parte del "gruppo C", il soldato lo si potrà per lo meno includere con gli altri impiegati subalterni ed operai, ai quali viene corrisposta la suddetta indennità.

Se poi il soldato non si considera equiparato al più modesto impiegato subalterno od al più misero operaio, con chi si equipara?

La risposta si lascia al provvedimento che sarà preso in nostro favore.

Questo è quello che pensiamo in proposito; lo sappiamo anche gli Alleati.

.....Signori del Ministero dello Scudo, arbitrariamente scritto....perche' sono costretto portare a conoscenza di cio' che succede nel vari reparti di manutenzione di Bari. I signori comandanti di questi reparti con vogliono essere gli ordini inviati dal ministero. Siamo a conoscenza della circolare sull'invio in congedo dal 1910 e piu' anni, ma i nostri comandanti non ne vogliono sapere. Dopo tanti reclami ci hanno detto che sono gli alleati che non ci vogliono lasciare. Siamo stati al comando alleato e ci hanno risposto con queste parole: noi abbiamo mandato la disposizione di congedare fino alla classe 1916; quindi sono i vostri comandanti che non vogliono mandare i vostri alleati. Ora i nostri comandi con i vivari di un persona ne acccontentano. ....Siamo bene a conoscenza di tutto cio' quindi entro 8 giorni non incompleta- mo e dare tutto agli ufficiali, perche' qualche ufficiale superiore provoca anche la rivolta forse per disturbare gli alleati.....qui siamo straziati e non si puo' piu' resistere.....
