I don't have your HQ letter Q5 dated 16 March 1945. If you refer to Q5 your HQ of 22 March, a copy of which is attached, then there isn't any para 5 as you suggest. As I understand it, however, the units in this area are to be attached to No. 1 Repair Unit which is to be located at 163 Via Faentina, Firenze, about the 1st of May. Query: What do we do for tires in the meantime?
