The only vehicle worth buying was lot 265

Re: your AQ/1/24395 dated 5 May 45.

1. Your a/m letter has been received through CE of this HQ but it is pointed out that he has no interest or authority in connection with the re-issue of tyres from Salvage.
2. It is also pointed out that a bulk re-issue of tyres has been made to MIA because Salvage is not in a position to make frequent re-issues of relatively small numbers of tyres of varying sizes.
3. It is understood that some tyres of this bulk re-issue have been despatched to Home and it is requested that your future demands should be made through HQ MIA Home for satisfaction from the bulk re-issue.
4. On this occasion efforts are being made to find and re-issue the tyres required because your transport would otherwise be wasted but this cannot be done in future.
